

# MS1 LITE SLINGS - MAGPUL MS1 LITE SLING RANGER GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The MS1 Lite Sling is a compact version of the versatile MS1 rifle sling. Magpul created a custom woven 1" wide single-ply webbing to drastically reduce extra bulk and offer a high-strength, streamlined sling that avoids snagging. The custom weave resists rolling and twisting, keeping the MS1 Lite consistently comfortable while maintaining the no-pill and anti-chafe characteristics that Magpul slings are known for. The smaller size also allows for easier stowage in tight, snag-prone areas such as cases, racks, and weapon safes. Optimized for minimal bulk while maintaining maximum strength, a more compact MS1 slider was designed specifically for this sling. It provides rapid adjustments to either lengthen or shorten the sling with no slipping once it's set, with no tails, loops, or other potential snag hazards. The MS1 Lite allows easy shoulder transitions, rapid adjustability for hands-free rifle carry, and shooting support from various positions. The MS1 Lite is ideal for lightweight or smaller-form firearms. The MS1 system also has a series of adapters that are sold separately and based on the MS3® and MS4® slings. By adding the appropriate adapter for the sling (such as our Paraclip™, QDM, or QD Sling Swivel), you can easily configure your MS1 for your fit and carry needs. Even with the MS1 Lite's smaller size, Magpul made sure it performs just as well as its larger predecessors. They put it through the same rigorous controlled lab and field tests to ensure it can stand up to the wet, dry, and sandy conditions you encounter when hunting, working, at the range, and everywhere in between. Made in the USA Lightweight with minimal bulk to stow easily Custom anti-chafe, 1" wide, single-ply webbing minimizes rolling and twisting Custom 1" Slider minimizes size and maintains strength Lightweight yet durable hardware made of heavy-duty polymer

## Attributes

- Name: [MAGPUL MS1 LITE SLING RANGER GREEN](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 430104301
- Mfr. No.: MAG1312-RGR
- Colour: Ranger Green
- Material: Nylon
- Style: 2-point Sling
- Width: 1"
- Delivery weight: 0.082kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 445mm
- UPC: 840815143680

# MS1 LITE SLING SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the MS1 Lite Sling by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document thoroughly before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MS1 Lite Sling by following all instructions provided in this guide.
- **Enhanced Recalls:** Be aware that should any safety issues arise, standardized recall notices will be issued, and remedies will be provided at no cost.
- **Online Shopping Safety:** If purchased online, ensure the retailer complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using the sling with vulnerable individuals, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any safety updates or recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is designed for adult use. Keep out of reach of children.
- **Proper Fit:** Ensure the sling is properly adjusted to fit your body and firearm to avoid accidents.
- **Avoid Snagging:** Be cautious of environments where the sling may snag on objects, potentially leading to loss of control.
- **Inspect Regularly:** Regularly inspect the sling for wear and tear. Do not use if any damage is detected.
- **Weather Conditions:** Be aware of the conditions in which you are using the sling. Avoid using in extreme weather conditions that may affect performance.
- **Training:** Familiarize yourself with the proper use of the sling through training before engaging in any activities.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before attaching the sling.
- Locate the attachment points on your firearm.
- Attach the sling using the appropriate adapter (e.g., Paraclip™, QDM, or QD Sling Swivel) for secure fitting.
- Adjust the length of the sling to fit comfortably across your body.

### 2. Usage:

- To adjust the sling length, pull the slider to either tighten or loosen the sling as needed.
- Ensure the sling is secure and does not slip during use.
- Practice transitioning the sling from shoulder to shoulder to become accustomed to its adjustability.
- Use the sling for handsfree carry and shooting support as intended.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the sling in accordance with local regulations to minimize environmental impact.
- **Material Recycling:** If possible, recycle the sling components made of durable materials such as nylon and polymer.
- **NonHazardous Waste:** The sling is not classified as hazardous waste. Dispose of it with regular nonhazardous waste if recycling is not available.

## Contact Information for Further Support

For any questions, concerns, or further assistance regarding the MS1 Lite Sling, please refer to the designated contact point associated with this product. Your safety and satisfaction are our priority.

Thank you for choosing Magpul. Enjoy the versatility and performance of your MS1 Lite Sling safely!
