

MIKE 15 GEN 2 5.56 UPPER RECEIVERS - GEN 2 COMPLETE UPPER 16" INTERMEDIATE GAS W/A2 FLASH HIDER

Foxtrot Mike is well known for its innovative 9MM PCC, as it has been a go to for competitive PCC shooters and consumers alike, for more than 6 years. The Foxtrot Mike Products AR-15 Gen 2 Upper Receiver is a premium quality upper receiver designed with several innovative and patent-pending features that make it one of the most innovative AR-15 uppers on the market. The integrated, proprietary recoil system allows for the upper to function without the need for a lower with a buffer tube, making it a great option for AR style firearms, that incorporate a folding or collapsible stock. The Foxtrot Mike Products Mike-15 Gen 2 Upper Receiver is available in 5.56/223 Wylde and features a forward charging handle that is easy to operate and offers improved ergonomics compared to a traditional charging handle. It is designed to provide superior performance and functionality to AR-15 enthusiasts. The reduced reciprocating mass, lighter weight, and higher pic rail on the gen 2 Mike 15 Upper receivers (.250" taller than Mil spec), allow shooters to experience an AR style rifle with less recoil, and quicker follow up shots due to flat shooting recoil impulse. The integrated recoil system is simple and utilizes Direct Impingement gas system. The proprietary bolt carrier is light weight and shorter than a standard AR15 bolt carrier. The carrier key (gas key), has an integrated recoil lug, which has a mating pocket in the proprietary bolt carrier. This ensures no recoil load during cycle is distributed to the gas key screws. The recoil springs have a "nested" inner spring (6 pound), and outer spring (12 pound), both wound in opposite directions, to ensure they move freely during cycling of the firearm. Inside the nested recoil Springs is the recoil rod. The lightweight proprietary Gen 2 Bolt Carrier Group ride along the Recoil Rod as the gun cycles. The Lightweight M-Lok compatible handguard, has an interlocking tab with the upper receiver, ensuring proper alignment with the bore. Two Torx bit screws hold the handguard in place for simple maintenance without risk of stripping screws. An extra long, lightweight barrel nut improves torsional support to longer handguards during hard use. 4 position, non reciprocating charging handle, can be mounted on either side of the handguard, to accommodate left and right handed shooters. The charging handle is located in the best possible location for ergonomics, as it is located near your hand on the handguard. This allows shooters to clear malfunctions, check the chamber or make ready, all while looking downrange at your target. The "trolley" is the steel carriage the 4 position charging handle attaches too. The Trolley resides inside the hand guard, it is a round tube machined from steel, with a 4" deep .160" hole down the center of it. The recoil rod goes into the trolley when the charging handle is pulled rearward. The 4 position Charging Handle has redundant attachment methods, should one fail. The Charging Handle is held in place by (2) 10-32 set screws, which are installed from the front of the handguard using a 3/32" allen wrench. The trolley also has a threaded end which also compresses against the 4 position charging handle from the rear of the charging handle. The Mike-15 gen 2 Upper Receivers allow consumers to use their existing AR style Mil Spec Lower Receiver and combine it with the included Picatinny Rail Adapter and they can convert there vanilla M4 to a modern Buffer-less firearm, capable of using a collapsible or folding stock, and being able to be fired from the folded position should the need arise. Its unique features and accessories make it an excellent choice for those looking to build a custom AR-15 pistol or short-barreled rifle. Sleek, Modern light weight design combined with premium materials, to produce an accurate, simple and reliable product at an amazing price. Premium 41V50 Barrel, vacuum stress relieved, button rifled 1-8 twist rate, Burnished .223 Wylde Chamber, coated in Melonite (QPQ). 9" Pistol length gas, 12.5" Mid Length gas, 13.9" Mid Length gas, 16" Mid Length gas and 16" Intermediate Length gas available. Proprietary Bolt Carrier machined from pre-hard 4342, machined then post vacuum heat treated to increase hardness and maintain excellent surface finish of gas ring bore of Proprietary Bolt Carrier. Integrated recoil Lug in the carrier and gas key, greatly improving shear strength of Gas key screws. Proprietary double pinned gas block with interlocking feature, ensures proper alignment of gas block. The Gas Block has its gas port drilled from the top, so we can confirm alignment of gas port in barrel, port in the gas block and

gas tube are all aligned prior to assembly. Monolithic Style lightweight sleek modern buffer-less Ar style Upper Receiver, simple elegant direct impingement operating system allowing costumers to use the included picatinny rail adapter to transform their vanilla M4 into a Modern Buffer-less AR. Taper Lock Barrel nut, and extra long lightweight Barrel nut, allow for excellent handguard rigidity and accuracy in a lightweight package. Proprietary Firing Pin Spring, using S7 Tool Steel Firing Pin, and S7 Tool Steel Extractor Pin. An S7 Tool Steel Round Cam Pin and S7 AR-15 Extractor are also utilized. All Mike-15 Gen 2 Upper Receivers come with an easy to install Picatinny Rail Adapter included. This allows consumers to convert their vanilla M4 into a modern, lightweight, flat shooting buffer-less firearm, by using their own Mile Spec AR Lower Receiver and the included Picatinny Rail Adapter. Foxtrot Mike machines 6 flats (standard box wrench shape) on the chamber end of the barrel. We slide the 6 sided flats into a plate with a mating shape, so we can apply 150 pounds of torque to the barrel extension, without having to clamp down onto a round profile with a 10 ton press. This guarantees all the torque is applied to the barrel extension, guaranteeing proper torque values on every barrel.

Attributes

Sicherheitshinweise für den MIKE 15 GEN 2 5.56 Upper Receiver

Einleitung

Herzlichen Glückwunsch zum Kauf Ihres MIKE 15 GEN 2 5.56 Upper Receivers von Foxtrot Mike Products. Dieser Leitfaden bietet wichtige Sicherheitshinweise und Anweisungen zur sicheren Verwendung und Installation des Produkts. Bitte lesen Sie diese Informationen sorgfältig durch, um sicherzustellen, dass Sie das Produkt sicher und effizient nutzen.

Allgemeine Sicherheitsrichtlinien

- Stellen Sie sicher, dass alle Benutzer mit den Sicherheitsrichtlinien und der Bedienungsanleitung vertraut sind.
- Verwenden Sie das Produkt nur für den vorgesehenen Zweck.
- Halten Sie das Produkt außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Überprüfen Sie regelmäßig auf Anzeichen von Abnutzung oder Beschädigung.
- Melden Sie unsichere Produkte oder Vorfälle den zuständigen Behörden.
- Informieren Sie sich über Rückrufupdates über die Safety GatePlattform der EU.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwenden Sie das Produkt nur mit kompatiblen ARStil MilSpec Lower Receivern.
- Achten Sie darauf, dass alle Teile korrekt montiert sind, bevor Sie das Produkt in Betrieb nehmen.
- Verwenden Sie nur empfohlene Munition, um das Risiko von Fehlfunktionen zu minimieren.
- Tragen Sie immer geeignete Schutzausrüstung, einschließlich Gehörschutz und Schutzbrille, während der Nutzung.
- Vermeiden Sie es, das Produkt in feuchten oder nassen Umgebungen zu verwenden.
- Lassen Sie das Produkt niemals unbeaufsichtigt, wenn es in Gebrauch ist.

Anweisungen für Installation und Nutzung

1. Installation des Upper Receivers:

- Stellen Sie sicher, dass der Lower Receiver sicher und stabil ist.
- Führen Sie den Upper Receiver vorsichtig auf den Lower Receiver.
- Überprüfen Sie, ob alle Pins und Schrauben korrekt eingesetzt sind.
- Stellen Sie sicher, dass der Ladehebel ordnungsgemäß montiert ist und reibungslos funktioniert.

2. Nutzung des Upper Receivers:

- Laden Sie die Waffe gemäß den Anweisungen in der Bedienungsanleitung.
- Überprüfen Sie die Kammer, bevor Sie die Waffe abfeuern.
- Achten Sie darauf, dass Sie immer in eine sichere Richtung zielen.
- Nach jedem Schuss sollten Sie die Waffe auf Störungen überprüfen.
- Reinigen Sie das Produkt regelmäßig, um eine optimale Leistung zu gewährleisten.

Entsorgungsanweisungen

- Entsorgen Sie das Produkt gemäß den örtlichen Vorschriften für gefährliche Abfälle.
- Entfernen Sie alle Batterien und andere nicht wiederverwertbare Komponenten, bevor Sie das Produkt entsorgen.
- Bringen Sie das Produkt zu einem autorisierten Recyclingzentrum oder einer Entsorgungsstelle.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu Ihrem MIKE 15 GEN 2 5.56 Upper Receiver wenden Sie sich bitte an den Hersteller oder den Verkäufer. Achten Sie darauf, alle Sicherheitsrichtlinien zu befolgen und das Produkt verantwortungsbewusst zu verwenden.

MIKE 15 GEN 2 5.56 UPPER RECEIVERS GEN 2

COMPLETE UPPER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MIKE 15 GEN 2 5.56 Upper Receiver. This product is designed for performance and reliability. To ensure safe and effective use, please read and follow these safety instructions carefully. This guide complies with the EU General Product Safety Regulation (GPSR) to provide you with the necessary information to use this product safely.

General Safety Guidelines

- Ensure that the product is suitable for your intended use.
- Always handle firearms with care and respect.
- Keep the upper receiver out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Use appropriate protective gear, such as eye and ear protection, when operating the firearm.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use ammunition that is compatible with the MIKE 15 GEN 2 Upper Receiver (5.56/223 Wylde).
- Ensure the firearm is unloaded before installation or maintenance.
- Follow the manufacturer's instructions for installation and usage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the upper receiver or any components without consulting a qualified gunsmith.
- Use the firearm only in designated shooting areas.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and the workspace is clean and welllit.
2. **Remove Existing Upper:** If applicable, remove the existing upper receiver from the lower receiver.
3. **Align and Attach:** Align the MIKE 15 GEN 2 Upper Receiver with the lower receiver.
4. **Secure with Screws:** Use the provided Torx bit screws to secure the handguard in place. Ensure proper torque to avoid stripping screws.
5. **Check Functionality:** After installation, check that the charging handle operates smoothly and that the recoil system functions correctly.

Usage

- Always keep the firearm pointed in a safe direction.
- Before firing, visually inspect the chamber to ensure it is clear of obstructions.
- Load the firearm only when ready to shoot.
- Be aware of the target and what lies beyond it.
- After firing, keep the firearm pointed downrange until ready to clear the chamber.

Disposal Instructions

- Dispose of all firearm components, including the upper receiver, in accordance with local laws and regulations.
- Do not dispose of the product in regular household waste.
- Contact local authorities or licensed disposal facilities for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or additional information regarding safety, installation, or usage of the MIKE 15 GEN 2 Upper Receiver, please consult the manufacturer's website or contact your local dealer.

By following these guidelines, you can ensure a safe and enjoyable experience with your MIKE 15 GEN 2 5.56 Upper Receiver. Thank you for your attention to safety.

Istruzioni di Sicurezza per il Ricevitore Superiore MIKE 15 GEN 2 5.56

Introduzione

Grazie per aver scelto il ricevitore superiore MIKE 15 GEN 2 5.56 di Foxtrot Mike Products. Questo prodotto è progettato per offrire prestazioni elevate e funzionalità agli appassionati di armi. È fondamentale seguire le istruzioni di sicurezza qui fornite per garantire un uso sicuro e responsabile.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Conserva queste istruzioni in un luogo sicuro per future consultazioni.
- Non utilizzare il prodotto se presenta segni di danno o usura.
- Rivolgiti a un professionista qualificato per l'installazione e la manutenzione.
- Non utilizzare il ricevitore superiore con munizioni non compatibili.
- Tieni il prodotto lontano dalla portata di bambini e persone non autorizzate.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza sempre occhiali protettivi e protezioni per le orecchie quando utilizzi il ricevitore superiore.
- Assicurati che l'arma sia scarica prima di effettuare qualsiasi operazione di manutenzione o installazione.
- Non puntare mai l'arma verso qualcosa che non si intende colpire.
- Segui le leggi locali e nazionali riguardanti la proprietà e l'uso delle armi.
- Non modificare o alterare il ricevitore superiore in alcun modo.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati di avere tutti gli strumenti necessari per l'installazione.
- Segui le istruzioni del produttore per collegare il ricevitore superiore al lower ricevitore.
- Verifica che tutte le viti e i collegamenti siano sicuri e correttamente serrati.

2. Uso:

- Prima di utilizzare il ricevitore superiore, controlla che sia montato correttamente.
- Carica l'arma solo quando sei pronto a utilizzare il ricevitore superiore.
- Fai attenzione al tuo ambiente e assicurati di avere un'area di tiro sicura.

Istruzioni per lo Smaltimento

- Smaltisci il ricevitore superiore e i suoi componenti in conformità con le normative locali sui rifiuti.
- Non gettare il prodotto nell'ambiente o nei rifiuti domestici.
- Contatta un centro di smaltimento autorizzato per informazioni sul corretto smaltimento.

Informazioni di Contatto per Ulteriori Supporto

Per domande relative alla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore. È importante avere sempre a disposizione un punto di contatto per qualsiasi problema o chiarimento.

Conclusione

Seguire queste istruzioni di sicurezza è essenziale per garantire un uso sicuro e responsabile del ricevitore superiore MIKE 15 GEN 2 5.56. Assicurati di rimanere informato sulle migliori pratiche di sicurezza e di rispettare tutte le leggi e i regolamenti applicabili.

Säkerhetsinstruktioner för MIKE 15 GEN 2 5.56 UPPER RECEIVERS

Introduktion

Tack för att du valt MIKE 15 GEN 2 5.56 Upper Receiver från Foxtrot Mike Products. Denna produkt är designad för att ge överlägsen prestanda och funktionalitet. För att säkerställa säker användning och maximera din upplevelse, vänligen läs och följ dessa säkerhetsinstruktioner noggrant.

Allmänna säkerhetsriktlinjer

- Använd alltid produkten enligt tillverkarens instruktioner.
- Kontrollera alltid att vapnet är oladdat innan du hanterar det.
- Förvara produkten på en säker plats, utom räckhåll för barn och andra obehöriga.
- Använd alltid skyddsglasögon och hörselskydd när du skjuter.
- Rapportera alla osäkra produkter eller incidenter till relevanta myndigheter.
- Håll dig informerad om eventuella återkallelser via EU:s Safety Gateplattform.

Specifika säkerhetsåtgärder för användning

- Kontrollera alltid att alla delar är korrekt installerade innan användning.
- Använd endast kompatibla och rekommenderade tillbehör.
- Undvik att använda ammunition som inte är specificerad för denna produkt.
- Var medveten om rekyl och hantera vapnet med försiktighet.
- Utför regelbundet underhåll och inspektion av produkten för att säkerställa dess säkerhet och funktionalitet.

Instruktioner för installation och användning

Installation

1. **Förberedelse:** Se till att området är rent och fritt från skräp.
2. **Montering av Upper Receiver:**
 - Fäst den övre mottagaren på din befintliga ARstil Mil Spec Lower Receiver.
 - Använd de medföljande skruvarna och följ instruktionerna för korrekt montering.
3. **Installation av Picatinny Rail Adapter:**
 - Montera adapter enligt medföljande instruktioner för att säkerställa korrekt justering.
4. **Kontrollera alla anslutningar:** Se till att alla fästen är åtdragna och säkra.

Användning

- Kontrollera alltid att vapnet är oladdat innan du laddar det.
- Ladda vapnet med godkänd ammunition.
- Använd det framåtriktade laddhandtaget för att ladda vapnet.
- Utför skjutning på en säker och avsedd plats.
- Rensa eventuella stopp innan du fortsätter att skjuta.

Avfallsinstruktioner

- Kasta inte produkten i hushållsavfall. Följ lokala riktlinjer för avfallshantering.
- Återvinn delar av produkten där det är möjligt, enligt lokala återvinningsprogram.

Kontaktinformation för ytterligare stöd

För frågor eller mer information om säkerheten kring denna produkt, vänligen kontakta tillverkaren eller återförsäljaren. Se till att ha produktens serienummer och inköpsinformation tillgänglig för snabbare hjälp.

Tack för att du följer dessa säkerhetsinstruktioner och använder din MIKE 15 GEN 2 5.56 Upper Receiver på ett säkert och ansvarsfullt sätt.
