# FRONT SIGHT ADJUSTER PRO Safety Instruction Guide

## Introduction

Thank you for choosing the FRONT SIGHT ADJUSTER PRO by REAL AVID. This tool is designed to make front sight adjustments quick, easy, and painless. Please read this safety instruction guide carefully to ensure safe usage of the product.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Ensure the product is suitable for your specific firearm model before use.
- Inspect the tool before each use for any signs of damage or wear.
- Store the tool in a safe place, out of reach of children and unauthorized users.
- Use the tool only for its intended purpose; misuse may result in injury or damage.

## Specific Safety Precautions for Use

- **Personal Protection:** Always wear safety glasses when making adjustments to your firearm.
- **Environment:** Use the tool in a welllit area to ensure visibility during adjustments.
- **Handling:** Keep hands clear of the sight and tool during adjustments to avoid injury.
- **Stability:** Ensure the firearm is stable and secured before making any adjustments.
- **Check for Obstructions:** Before using the tool, ensure that the area around the front sight is clear of any obstructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the FRONT SIGHT ADJUSTER PRO.

### 2. Using the Tool:

- Identify whether you are working with an A1 or A2 front sight.
- Insert the THandle into the adjustment slot of the front sight.
- Turn the THandle clockwise to raise the front sight or counterclockwise to lower it.
- Make small adjustments and check the sight alignment frequently.

### 3. Storage:

- After use, clean the tool if necessary and place it back in the compact carry case.
- Store the carry case in a secure location, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the tool in regular household waste if it is damaged or broken.
- Check for local recycling programs that accept tools and metal products.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FRONT SIGHT ADJUSTER PRO, please refer to the manufacturer's website or customer support resources available with your purchase.

Thank you for prioritizing safety while using the FRONT SIGHT ADJUSTER PRO. Enjoy your shooting experience!
