

ACCU-GRIP STEEL PICKS - REAL AVID ACCU-GRIP STEEL PICKS SET OF 5

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Picks & Hooks](#)

Firearm owners have had no choice but to use subpar cleaning picks for years. Accu-Grip Steel Picks offer specifically-designed tips ensuring easy work on carbon build-up. The ergonomic design and stainless steel picks fit comfortably in your hand and offer superior control when cleaning hard-to-reach areas. Great for general firearm maintenance where plastic picks and cleaning solvents aren't enough. Throw away those toothpicks and use tools that were designed for the job.

ACCUGRIP STEEL PICKS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ACCUGRIP STEEL PICKS by REAL AVID. This product is designed to assist firearm owners in effectively cleaning their firearms. To ensure safe and effective use of the ACCUGRIP STEEL PICKS, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the ACCUGRIP STEEL PICKS for their intended purpose only.
- Keep the picks out of reach of children and vulnerable individuals.
- Inspect the picks before each use for any signs of damage or wear.
- Do not use the picks on live firearms or while ammunition is present.
- Ensure that the working area is welllit and free of distractions.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the picks with care to avoid injury to yourself or damage to the firearm.
- Always wear safety glasses to protect your eyes from debris.
- Do not apply excessive force while using the picks; let the tool do the work.
- Avoid using the picks on delicate or easily damaged surfaces.
- Store the picks in a safe location when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and clear of any ammunition.
- Gather necessary cleaning supplies and tools.

2. Using the ACCUGRIP STEEL PICKS:

- Choose the appropriate pick based on the area you need to clean.
- Hold the pick firmly but comfortably in your hand.
- Insert the tip of the pick gently into the area with carbon buildup.
- Use a scraping motion to remove the buildup, applying light pressure.
- Wipe away any debris with a clean cloth after use.

3. PostCleaning:

- After cleaning, inspect the picks for any damage.
- Clean the picks with a cloth if necessary and store them safely.

Disposal Instructions

- Dispose of any damaged or worn picks in accordance with local regulations.
- Do not discard picks in regular household waste if they are damaged; check for local hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the ACCUGRIP STEEL PICKS, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your ACCUGRIP STEEL PICKS. Thank you for prioritizing safety in your firearm maintenance practices.
