

TRI-MAX CLP - REAL AVID TRI-MAX CLP 4OZ SQUEEZE BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Real Avid Tri-Max CLP is an all-in-one gun cleaning and maintenance solution that allows you to clean, lubricate and protect against rust in one step. CLP saves you time and ensures effective gun maintenance that is the preferred solution used by today's military. Tri-Max CLP advanced formula performs as an effective bore cleaner and solvent on all gun parts. It will tackle grime and burnt powder residue and will help minimize gunk build-up. Tri-Max CLP ensures long-lasting lubrication of moving parts to reduce friction and to protect from wear. It excels in extreme environments and will work reliably in heat, dust, or arctic cold. Tri-Max CLP is chemically engineered to act as a powerful inhibitor. It creates a moisture barrier to protect against the environment and prevent rust. 60-count Wipes

Safety Instruction Guide for Real Avid TriMax CLP 4oz Squeeze Bottle

Introduction

Thank you for choosing Real Avid TriMax CLP, an allinone gun cleaning and maintenance solution. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- This product is intended for cleaning, lubricating, and protecting firearms only.
- Keep out of reach of children and vulnerable individuals.
- Always use in a wellventilated area to avoid inhalation of fumes.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product in accordance with local regulations.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Wear gloves to avoid skin contact.
 - Use safety goggles to protect your eyes from splashes.
- **Inhalation Risks:**
 - Avoid breathing in vapors. If you experience dizziness or respiratory discomfort, move to fresh air immediately.
- **Skin Contact:**
 - In case of skin contact, wash the affected area with soap and water. If irritation persists, seek medical advice.
- **Eye Contact:**
 - If product comes into contact with eyes, rinse immediately with plenty of water for at least 15 minutes and seek medical attention.
- **Fire Hazard:**
 - Keep away from open flames and high heat sources. This product is flammable.
- **Environmental Protection:**
 - Do not allow the product to enter waterways or soil. Follow local disposal regulations.

Instructions for Installation and Usage

- **Preparation:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Shake the bottle well before use.
- **Application:**
 - Squeeze the bottle gently to apply TriMax CLP to the firearm parts that require cleaning, lubrication, or protection.
 - Use a clean cloth or brush to spread the product evenly.
- **Cleaning:**
 - Allow the product to sit for a few minutes to penetrate grime and residue.
 - Wipe away excess product and debris with a clean cloth.
- **Lubrication:**
 - Apply a thin layer of TriMax CLP to moving parts to reduce friction and protect against wear.
- **Protection:**
 - Ensure a moisture barrier is formed by applying a light coat to metal surfaces to prevent rust.

- **Storage:**

- After use, ensure the cap is tightly closed to prevent leakage.
- Store the product in its original container in a safe location.

Disposal Instructions

- Dispose of any unused or expired product in accordance with local hazardous waste regulations.
- Do not pour down drains or dispose of in regular trash.
- Check with local authorities for specific disposal guidelines in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer or authorized distributor. Ensure you have the product information available when seeking assistance.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using Real Avid TriMax CLP!
