

# TRI-MAX CLP AEROSOL 12OZ CAN

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Real Avid Tri-Max CLP is an all-in-one gun cleaning and maintenance solution that allows you to clean, lubricate and protect against rust in one step. CLP saves you time and ensures effective gun maintenance that is the preferred solution used by today's military. Tri-Max CLP advanced formula performs as an effective bore cleaner and solvent on all gun parts. It will tackle grime and burnt powder residue and will help minimize gunk build-up. Tri-Max CLP ensures long-lasting lubrication of moving parts to reduce friction and to protect from wear. It excels in extreme environments and will work reliably in heat, dust, or arctic cold. Tri-Max CLP is chemically engineered to act as a powerful inhibitor. It creates a moisture barrier to protect against the environment and prevent rust. 60-count Wipes

# TRIMAX CLP AEROSOL 12OZ CAN Safety Instruction Guide

## Introduction

Thank you for choosing the TRIMAX CLP Aerosol 12oz Can. This product is designed to provide an all-in-one solution for gun cleaning and maintenance. It is important to follow the safety instructions outlined in this guide to ensure the safe and effective use of this product.

## General Safety Guidelines

- Ensure that the product is used in a well-ventilated area to avoid inhalation of fumes.
- Keep out of reach of children and pets.
- Avoid contact with eyes and skin; in case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight or heat sources.
- Dispose of empty cans and wipes in accordance with local regulations.

## Specific Safety Precautions for Use

- Use protective gloves and eyewear when handling the product to prevent skin and eye irritation.
- Do not use near open flames or sparks, as the product is flammable.
- Ensure that the nozzle is directed away from yourself and others during application.
- Do not spray on electrical equipment or live wires.
- Allow treated surfaces to dry completely before handling or using the firearm.

## Instructions for Installation and Usage

- Shake the can well before use to ensure proper mixing of the formula.
- Hold the can approximately 6-12 inches away from the surface to be treated.
- Spray a light, even coat on the desired area, ensuring complete coverage.
- For bore cleaning, apply directly into the bore and allow it to sit for a few minutes before cleaning with a bore brush or patch.
- Wipe excess product from surfaces with a clean cloth or paper towel.
- For lubrication, apply to moving parts and operate the mechanism to distribute the lubricant evenly.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not puncture or incinerate the can, even when empty.
- If the product is no longer usable, take it to a designated hazardous waste disposal facility.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the TRIMAX CLP Aerosol 12oz Can, please refer to the manufacturer's website or contact customer support through the provided channels.

Thank you for following these safety instructions. Your safety and the safety of others is our priority. Enjoy using the TRIMAX CLP Aerosol 12oz Can responsibly!
