

AR-15 TACTICAL GUN TOOL - REAL AVID AR-15 37-IN-1 TACTICAL GUN MULTI-TOOL

[Gunsmith Tools](#) > [Rifle Tools](#) > [Combination Tools](#)

This beefy, folding X-frame tool is built specifically for the needs of AR15 owners who want to keep their gun up and running. It starts with textured iron-tough G-10 side plates for an extra-sure grip. The frame itself is fully loaded with a focused set of highly capable AR platform tools. It equips users to quickly remove carbon from all 12 critical surfaces of the bolt carrier group, make repairs in the field or on the bench, reduce malfunctions, add or remove accessories, make sight adjustments and easily disassemble and reassemble their guns. This is the ultimate multi-tool for the AR15! This is the Real Avid AR15 Tool. It features two-dozen different tools to keep your AR functioning flawlessly. Carbon is the enemy of tactical rifles. The AR15 Tool removes carbon from the 12 surfaces of the bolt carrier group with Real Avid's AR15 Scraper. The quarter-inch driver includes 12 bits that will handle any screw you'll encounter on your AR ... or any gun. The AR15 Tool also has a carbide glass breaker, a three and a quarter-inch 440C stainless serrated Tanto blade, a bolt override tool, needle nose pliers, carbide cutter and tap hammer. This tool also has a pin punch and pick that are interchangeable to fit 8-32 male and female adapters for cleaning brushes and rods. The ballistic nylon sheath is fully adaptable to your M.O.L.L.E. system pack or belt and also has a pocket for the included 4 or 5 pin front sight adjuster. The Real Avid AR 15 Tool, you need one. FEATURES Combination needle-nose pliers Carbide cutter G10 grip plates High strength stainless steel frame Metal file Bolt carrier carbon scraper 8-32 threaded receiver fits standard gun cleaning rods, cables, brushes, & implements 3/32" detachable pin punch 10 function bolt carrier group scraper Cotter pin puller 440c serrated tanto knife Detachable pick 8-32 threaded post fits standard gun cleaning rods, cables, brushes, & implements 3-position locking bit driver Bit driver includes 12 bits Bolt override tool tap hammer (on reverse side)

Safety Instruction Guide for the Real Avid AR15 Tactical Gun Tool

Introduction

Thank you for choosing the Real Avid AR15 Tactical Gun Tool. This multitool is designed to assist AR15 owners in maintaining and operating their firearms safely and effectively. To ensure your safety and the proper functioning of your tool, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure you understand the purpose and operation of each tool before use.
- Always use the tool in a welllit area to avoid accidents.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of wear or damage before use.
- Store the tool in a safe and secure location when not in use.
- Follow all local laws and regulations regarding the use and maintenance of firearms and firearm accessories.
- In case of any accidents or injuries, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Carbon Removal:** When using the carbon scraper, ensure that the bolt carrier group is cool to the touch to prevent burns.
- **Blade Usage:** Always handle the serrated Tanto blade with care. Use the blade only for its intended purpose and avoid cutting towards yourself.
- **Pliers and Cutters:** When using the needlenose pliers and carbide cutter, ensure your hands are clear of the tool's path to prevent pinching or cuts.
- **Pin Punch and Pick:** Use the interchangeable pin punch and pick carefully to avoid damaging the firearm or injuring yourself.
- **Bit Driver:** Use the bit driver with appropriate bits for the screws on your AR15. Ensure the bits are securely attached before use.
- **Glass Breaker:** The carbide glass breaker should only be used in emergencies. Handle with care to avoid accidental injury.

Instructions for Installation and Usage

1. Familiarize Yourself with the Tool:

- Review the tool's features and functions.
- Identify all components, including pliers, blades, scrapers, and drivers.

2. Using the Carbon Scraper:

- Ensure the firearm is unloaded and safe to work on.
- Use the carbon scraper to clean all 12 surfaces of the bolt carrier group.
- Dispose of carbon debris properly.

3. Using the Blade:

- Open the blade carefully and ensure it is locked in place.
- Use for cutting tasks only; do not use for prying or twisting.

4. Using the Pliers and Cutters:

- Grip the handles firmly when using the pliers.
- Use the carbide cutter for cutting wire or small components only.

5. Using the Pin Punch and Pick:

- Select the appropriate size for your needs.
- Insert carefully into the designated holes, ensuring a secure fit.

6. Using the Bit Driver:

- Choose the correct bit for the screw type.
- Insert the bit into the driver and tighten securely.
- Use the driver to adjust screws as needed.

7. Storing the Tool:

- After use, clean the tool to remove any debris.
- Store in the provided ballistic nylon sheath and attach it securely to your M.O.L.L.E. system pack or belt.

Disposal Instructions

- Dispose of the tool responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for tools and accessories.
- Do not dispose of the tool in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For questions or concerns regarding the Real Avid AR15 Tactical Gun Tool, please refer to the manufacturer's website or your point of purchase for contact information and support resources.

Thank you for your attention to these safety instructions. Enjoy using your Real Avid AR15 Tactical Gun Tool responsibly and safely.
