

GUN-MAX GUN OIL - REAL AVID GUN-MAX GUN OIL 12OZ AEROSOL

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Gun-Max's advanced gun-metal grade formula sets a new standard for protecting, lubricating and cleaning modern guns. Powerful inhibitors displace moisture delivering extended corrosion protection. Advanced anti-friction additives bond to metal surfaces for longer lasting lubrication of moving metal parts. Maximizes performance of semi-auto guns with high cycle rates. Formulated to excel in sub-zero temperatures and harsh operating conditions.

GUNMAX GUN OIL Safety Instruction Guide

Introduction

Thank you for choosing GUNMAX GUN OIL by REAL AVID. This advanced gunoil formula is designed for the protection, lubrication, and cleaning of modern firearms. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use in a wellventilated area to avoid inhalation of vapors.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Keep away from heat, sparks, and open flames. This product is flammable.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Wear safety goggles to protect your eyes.
- Use gloves to prevent skin contact.
- Consider wearing a mask if using in a poorly ventilated area.

- **Application Precautions:**

- Do not spray directly on hot surfaces or near ignition sources.
- Use only as directed. Do not exceed recommended usage amounts.
- Ensure the firearm is unloaded and pointed in a safe direction before application.

- **Storage Precautions:**

- Store in a cool, dry place away from direct sunlight.
- Avoid storing in areas with high temperatures or humidity.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Clean the firearm of any dirt or debris before applying GUNMAX GUN OIL.

2. Application:

- Shake the aerosol can well before use.
- Hold the can approximately 612 inches from the surface to be treated.
- Spray a thin, even coat onto the metal surfaces of the firearm.
- Allow the product to penetrate for a few minutes before wiping off excess with a clean cloth.

3. Maintenance:

- Reapply as necessary, especially after exposure to moisture or harsh conditions.
- Regularly inspect the firearm for signs of wear or corrosion and treat as needed.

Disposal Instructions

- Dispose of the empty aerosol can in accordance with local regulations for hazardous materials.
- Do not puncture or incinerate the can, even when empty.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GUNMAX GUN OIL, please consult the product packaging for contact information or visit the manufacturer's website for additional resources.

Please remember to follow these guidelines carefully to ensure your safety and the optimal performance of your firearm. Thank you for choosing GUNMAX GUN OIL.
