

# BORE-MAX SMART ROD - REAL AVID BORE-MAX SMART ROD HANDGUN 9" CARBON FIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Upgraded comfort grip made for pushing and pulling jags, patches and brushes through the bore. Easier on your wrist and hands due to the vertical grip versus traditional horizontal screwdriver grips commonly found on other cleaning rods which are designed for tuning, not pushing and pulling. The premium carbon fiber rod easily turns through the bore following the rifling thanks to the ultra-glide bearing. The ultra-glide bearing provides smooth rotation through the bore to effectively follow and clean lands and grooves. Included with the Smart Rod is a wall hanger storage bracket that cradles the handle and lets the rod hang vertically to prevent deformation and damage.

## Attributes

- Name: [REAL AVID BORE-MAX SMART ROD HANDGUN 9" CARBON FIBER](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 430104434
- Mfr. No.: AVBMSR2209
- Caliber: Multi

# BOREMAX SMART ROD HANDGUN 9" CARBON FIBER Safety Instruction Guide

## Introduction

Thank you for purchasing the BOREMAX SMART ROD HANDGUN 9" CARBON FIBER. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your cleaning rod. Please read this manual carefully before use to familiarize yourself with the product and its safety features.

## General Safety Guidelines

- Always use the BOREMAX SMART ROD as intended. Follow all instructions provided in this guide.
- Ensure that the cleaning rod is kept out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning rod for any signs of damage or wear. Do not use if damaged.
- Avoid using the cleaning rod in wet or damp conditions to prevent slipping or other hazards.
- Store the cleaning rod in a secure location when not in use, preferably in the provided wall hanger storage bracket to prevent deformation and damage.
- Be aware of the potential hazards associated with cleaning firearms, including the handling of cleaning solvents and oils. Always follow the manufacturer's safety instructions for these products.

## Specific Safety Precautions for Use

- When using the BOREMAX SMART ROD, ensure that the firearm is unloaded and pointed in a safe direction.
- Use the vertical grip to minimize strain on your wrist and hands during operation.
- Do not apply excessive force when pushing or pulling jags, patches, or brushes through the bore to avoid damaging the rod or the firearm.
- Ensure that the ultraglide bearing is functioning properly before use. If it feels stiff or does not rotate smoothly, do not use the rod until it has been inspected.
- If you experience any discomfort while using the rod, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation of Wall Hanger Storage Bracket:

- Choose a suitable location for the wall hanger bracket, ensuring it is securely mounted.
- Use appropriate screws and anchors to attach the bracket to the wall.
- Ensure that the bracket is level and securely fastened.

### 2. Using the BOREMAX SMART ROD:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Select the appropriate jag, patch, or brush for your cleaning needs.
- Attach the jag, patch, or brush to the end of the rod.
- Insert the rod into the bore, using the vertical grip to push or pull the rod smoothly through the barrel.
- Rotate the rod gently to follow the rifling and effectively clean the lands and grooves.
- After use, detach the jag, patch, or brush and clean the rod as per the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the BOREMAX SMART ROD responsibly. Do not dispose of it in regular household waste.
- Check local regulations for the proper disposal of carbon fiber materials and other components.
- If the rod is damaged beyond repair, consider recycling it if possible, or consult local waste management services for guidance.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

By following these guidelines, you can ensure the safe and effective use of your BOREMAX SMART ROD HANDGUN 9" CARBON FIBER. Thank you for your attention to safety and for choosing our product.
