GUN BOSS MULTIKIT FOR RIFLES Safety Instruction Guide

Introduction

Thank you for choosing the GUN BOSS MULTIKIT FOR RIFLES by REAL AVID. This product is designed to provide effective cleaning solutions for your rifle. It is essential to follow safety guidelines to ensure safe usage and to maintain the integrity of your firearm. This guide outlines important safety instructions and best practices for using the GUN BOSS MULTIKIT.

General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before cleaning.
- Store the cleaning kit in a safe place, out of reach of children and unauthorized users.
- Use the product only for its intended purpose, which is cleaning rifles of .30/308 caliber and 7.62mm.
- Regularly inspect the cleaning tools for damage or wear before use.
- Do not use the cleaning kit in the presence of flammable materials or liquids.
- Dispose of cleaning materials and chemicals responsibly, following local regulations.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times during cleaning.
- Wear safety goggles to protect your eyes from cleaning chemicals and debris.
- Use gloves when handling cleaning solvents and oils to avoid skin irritation.
- Keep the cleaning area wellventilated to minimize inhalation of fumes.
- Follow the manufacturer's instructions for any cleaning solvents used with the kit.
- Do not mix different cleaning chemicals unless specified by the manufacturer.

Instructions for Installation and Usage

Installation of Cleaning Tools

1. Bore Boss Setup:

- Remove the Bore Boss from the kit.
- Ensure the bore is clear and free of obstructions.
- Insert the Bore Boss into the muzzle of the rifle.
- Pull the cord through the bore to clean it effectively.

2. Using Additional Tools:

- Select the appropriate brush or patch for your rifle caliber.
- Attach the brush or patch to the cleaning rod securely.
- Insert the cleaning rod into the bore and rotate gently to remove fouling.

General Cleaning Instructions

- Always start cleaning from the chamber to the muzzle.
- Use a solvent to soak the brush or patch before inserting it into the bore.
- Follow a cleaning routine:
 - Apply solvent to the bore and allow it to sit for a few minutes.
 - Use the brush to scrub the bore, followed by a clean patch to remove residue.
 - Repeat until patches come out clean.

- Clean the action and chamber using the appropriate tools included in the kit.
- After cleaning, apply a light coat of oil to protect the bore and moving parts.

Disposal Instructions

- Dispose of used patches, brushes, and any cleaning materials according to local waste disposal regulations.
- Do not dispose of cleaning solvents in regular trash; follow local guidelines for hazardous waste.
- Store unused cleaning solvents in a cool, dry place, away from direct sunlight and heat sources.

Contact Information for Further Support

For any inquiries regarding product safety, usage, or to report unsafe products, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Conclusion

The GUN BOSS MULTIKIT FOR RIFLES is a valuable tool for maintaining your firearm. By following these safety instructions and guidelines, you can ensure a safe and effective cleaning process. Always prioritize safety and adhere to best practices when handling firearms and cleaning equipment. Thank you for your commitment to responsible firearm ownership.
