Safety Instruction Guide for AR15 Battery Grip Plugs

Introduction

Thank you for choosing the AR15 Battery Grip Plugs by B5 Systems. This guide provides important safety instructions and information to ensure the safe and effective use of the product. Please read this document carefully before using the battery grip plugs.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper use of the battery grip plugs.
- Keep the battery grip plugs out of reach of children and vulnerable individuals.
- Regularly check for updates regarding recalls or safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Avoid exposing the battery grip plugs to extreme temperatures or harsh chemicals.
- Do not attempt to modify or alter the battery grip plugs in any way.
- Inspect the battery grip plugs for any signs of damage or wear before each use.
- If you notice any defects or issues, discontinue use immediately and report the problem.

Instructions for Installation and Usage

1. Installation:

- Ensure that the AR15 grip is clean and free from any debris.
- Align the battery grip plug with the designated slot in the Type 23 or 22 PGrip.
- Press firmly until the plug fits snugly into place. You should feel a friction fit.
- Check that the plug is secure before proceeding to use the grip.

2. Usage:

- The battery grip plug is designed to store batteries (AA, 123A, CR2032) and the MultiTasker NANO Tool.
- To access the stored items, gently pull the battery grip plug out of the grip.
- Ensure that all batteries are inserted correctly according to their polarity.
- After use, reinsert the battery grip plug securely to maintain water and dust resistance.

Disposal Instructions

- Dispose of the battery grip plugs in accordance with local regulations regarding electronic waste.
- Do not dispose of batteries in regular household waste. Check local guidelines for battery recycling.
- Ensure that any disposed items are out of reach of children and pets.
