Safety Instruction Guide for B5 Systems AR15 P22 Grips

Introduction

Thank you for purchasing the B5 Systems AR15 P22 Grips. This guide provides essential safety instructions to ensure the safe and effective use of your new pistol grip. Please read this document carefully to understand the correct usage and safety precautions associated with this product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the grip.
- Inspect the grip for any damage before use. Do not use if damaged.
- Keep the grip out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearms and accessories.
- Store the grip in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- Ensure your hands are dry and clean when handling the grip to avoid slippage.
- When installing the grip, make sure it is securely fastened to prevent it from loosening during use.
- Do not modify the grip in any way, as this may affect its performance and safety.
- If you experience any discomfort or difficulty in using the grip, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that the firearm is unloaded.
- Remove the existing grip from the firearm if applicable.
- Align the B5 Systems AR15 P22 Grip with the grip mounting area on the firearm.
- Securely attach the grip using the provided screws, ensuring it is tight and stable.
- Check that the grip is properly aligned and does not wobble.

2. Usage:

- Hold the grip firmly with a proper shooting stance.
- Maintain a proper trigger index to ensure safe operation.
- Use the aggressive texture of the grip to enhance retention during use.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic waste.
- If the grip is damaged, consider recycling options for the material if available.
- Do not dispose of the grip in regular household waste if it contains any hazardous materials.
