Safety Instruction Guide for B5 Systems AR15 P22 Grips

Introduction

Thank you for choosing the B5 Systems AR15 P22 Grips. This guide provides important safety information to ensure the safe use and installation of your product. Please read this manual carefully before use to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the grip for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Grip:** Ensure your hand is positioned correctly on the grip to maintain control of the firearm.
- **Avoid Overheating:** Do not expose the grip to extreme heat, as this may compromise its integrity.
- **Regular Maintenance:** Clean the grip regularly to maintain its texture and ensure optimal performance.
- **Check Compatibility:** Confirm that the grip is compatible with your AR15 model before installation.
- **Use with Caution:** Always handle firearms responsibly and in accordance with safety regulations.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip from your AR15 by unscrewing it from the lower receiver.
- Align the B5 Systems AR15 P22 Grip with the lower receiver.
- Secure the grip in place by tightening the screws provided, ensuring a snug fit.

2. Usage:

- Hold the grip firmly with your dominant hand.
- Maintain a proper stance and ensure your finger is off the trigger until ready to fire.
- Practice safe shooting habits at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not incinerate or expose the grip to extreme temperatures during disposal.
- Consider recycling options if available, as the grip is made from MilSpec polymer material.
