

# STOCK ANGLE ADAPTER FOR MAGPUL CTR STOCK - ARISAKA DEFENSE STOCK ANGLE ADAPTER FOR MAGPUL CTR STOCK, BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

The Patent Pending Arisaka Stock Angle Adapter upgrades Magpul CTR stocks for precision use with three important features: Changes the recoil pad angle so it is perpendicular to the bore axis. Adds height and cant adjustments to the recoil pad. Changes the stock to use Magpul SL pads. You MUST use a Magpul SL, Magpul SL Enhanced, or SL Limbsaver recoil pad in combination with this adapter. The adapter is meant to aid alignment and recoil management on semi-auto gas guns like the LMT MWS and KAC SR25.

Additionally, the height and cant adjustments allow a shooter to better fit the rifle to their physiology. The end result makes the CTR stocks similar to a precision bolt gun stock. The OEM CTR pad does not work with this adapter; you must use our favorite, the luxurious SL Limbsaver recoil pad, or a Magpul SL recoil pad. Mike Olivella from Praecore Performance was the catalyst for the Stock Angle Adapter: The Stock Angle Adapter is the first installment in a series of precision rifle focused, ergonomic upgrades. The geometry of most popular carbine stocks support a variety of shooting techniques and work well within those requirements. However, when Mike takes a look at any modern, precision focused bolt gun chassis, you will note that all of them feature a 90 degree angle for the recoil pad. This isn't by accident. This geometry promotes greater contact surface area for one of the critical alignment components of a shooter's position behind the rifle. Arisaka took Mike Olivella's requirements and went a step further by incorporating a simple and lightweight solution to the critical fitting components of recoil pad height and cant. Different optic mount and shooter requirements have shown in testing there is almost no wrong configuration, but he does have his favorites. The finishing touch that can't be overlooked is how Arisaka made this accessory to not only work with a few common carbine stocks but also allowed it to accept a popular aftermarket recoil pad. For gas gun precision rifle shooters, this upgrade offers your rifle a lightweight, custom fit solution for your recoil pad with an extra bump up in surface area for your rear support. Additional length of pull (measured at the middle of the pad): 0.70" Weight: 3.5oz The adapter is CNC machined from 6061-T651 aluminum and MIL-A-8625 Type III hard coat anodized. Compatible with the Magpul CTR, STR, ACS, ACS-L, and MOE carbine stocks. Made in the USA.

## Attributes

- Name: [ARISAKA DEFENSE STOCK ANGLE ADAPTER FOR MAGPUL CTR STOCK, BLACK](#)
- Manufacturer: [ARISAKA DEFENSE](#)
- Product no.: 430104549
- Mfr. No.: SAA-CTR-BK
- Colour: Black
- Finish: Black
- Material: Aluminum
- Delivery weight: 0.136kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 140mm
- UPC: 850036188230

## **Item details**

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for the Stock Angle Adapter for Magpul CTR Stock

## Introduction

Thank you for choosing the Stock Angle Adapter for Magpul CTR Stock by Arisaka Defense. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure safe use of the Stock Angle Adapter by following these guidelines:
  - Always use the adapter in accordance with the manufacturer's instructions.
  - Inspect the adapter for any signs of damage before each use.
  - Do not use the adapter if it is damaged or if components are missing.
  - Keep the adapter out of reach of children and vulnerable individuals.
  - Use only compatible recoil pads (Magpul SL, Magpul SL Enhanced, or SL Limbsaver) with this adapter.
  - Avoid using the adapter in adverse weather conditions that may affect performance.
  - Ensure that the firearm is unloaded and safe before performing any adjustments.

## Specific Safety Precautions for Use

- When using the Stock Angle Adapter, please observe the following precautions:
  - Always maintain a proper shooting stance and alignment when using your firearm.
  - Ensure that the recoil pad is securely attached to the adapter before use.
  - Be aware of your surroundings and ensure a safe shooting environment.
  - Do not exceed the recommended height and cant adjustments as specified in the instructions.
  - Regularly check the adapter and recoil pad for wear and tear during use.
  - If you experience any discomfort or instability while using the adapter, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation of the Stock Angle Adapter:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing recoil pad from the Magpul CTR stock.
- Align the Stock Angle Adapter with the mounting holes on the stock.
- Securely attach the adapter using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach your chosen recoil pad (Magpul SL, Magpul SL Enhanced, or SL Limbsaver) to the Stock Angle Adapter.

### 2. Adjustments:

- Adjust the height and cant of the recoil pad to fit your personal preference and shooting style.
- Ensure that the adjustments are locked in place before use.

### 3. Usage:

- When ready to shoot, ensure that your stance is stable and your firearm is properly aligned.
- Use the adapter to enhance your shooting experience by providing better alignment and recoil

management.

## Disposal Instructions

- When disposing of the Stock Angle Adapter or any associated components:
  - Follow local regulations for the disposal of aluminum products.
  - Do not dispose of the adapter in regular household waste.
  - Consider recycling the aluminum components to minimize environmental impact.

## Contact Information for Further Support

For any inquiries or support regarding the Stock Angle Adapter, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the Stock Angle Adapter for Magpul CTR Stock. Always prioritize safety and responsible firearm handling. Thank you for choosing Arisaka Defense.
