[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

Now you can assemble your own custom SCR® rifle with Fightlight's SCR® Rifle Lower Receiver Assembly! Includes everything that's needed; simply add your choice of AR/M4 Upper Receiver Assembly, Magazine, Bolt, Cam Pin and Firing Pin and you've got it made with no gunsmith required! Through creative engineering and a quest for uncompromising performance, Fightlight's revolutionary SCR® Rifle is in a class of its own and offers easy customization, unforgiving accuracy and all-weather ruggedness. Featuring direct-gas operation, a rotating bolt and a free floated barrel for optimal accuracy; the semi-automatic SCR® blends sporting characteristics with the reliability, ruggedness and weatherproof characteristics of America's longest serving military rifle. Lightweight, powerful and accurate; the SCR® Rifle can be configured with most popular short-action sporting rifle cartridges including 5.56/.223, 7.62x39, 300 BLK, 6.8 SPC, 6mm ARC, 6.5 Grendel, .458 SOCOM, 450 Bushmaster and many others! Manufactured of high strength aerospace alloys and finished with non-reflective, MIL-Spec coatings for maximum corrosion resistance, the SCR® Rifle is designed to perform under the most demanding field conditions including ice, sleet, sand, rain and mud. Accessory friendly, SCR® Rifle Lows are compatible with many Modern Sporting Rifle parts and accessories including magazines, upper receivers, barrels, bolts, optics and more which significantly reduces a user's logistical requirements for spare parts, accessories and ammunition. Supported with a full line of performance accessories and manufactured in the USA from the highest quality aerospace grade alloys by American craftsman; the high-performance SCR® is guaranteed to provide its owner with a lifetime of accurate and reliable service.

SCR BLACK POLYMER RIFLE LOWER RECEIVER

Safety Instructions

Introduction

Thank you for choosing the SCR BLACK POLYMER RIFLE LOWER RECEIVER from Fightlite Industries. This product is designed for safe and reliable use. Please read this safety instruction guide carefully to ensure proper handling, installation, and usage of your SCR® Rifle Lower Receiver Assembly.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, away from unauthorized access, especially children.
- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting the firearm.
- Be aware of your surroundings and ensure that there is a safe backdrop for shooting.
- Do not consume alcohol or drugs before or while handling the firearm.
- Regularly inspect your firearm for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the SCR® Rifle Lower Receiver Assembly is compatible with your chosen AR/M4 Upper Receiver Assembly.
- Use only recommended ammunition types as specified in the product description.
- Always check the chamber for obstructions before loading.
- Never modify the firearm or its components unless you are a qualified gunsmith.
- Ensure that all accessories and parts are properly installed and secured before use.
- Do not exceed the recommended cartridge specifications as outlined in the product description.
- Be cautious of environmental conditions (e.g., rain, mud, etc.) that may affect firearm performance.

Instructions for Installation and Usage

1. Assembling the SCR® Rifle Lower Receiver:

- Ensure that you have all necessary components: AR/M4 Upper Receiver Assembly, Magazine, Bolt, Cam Pin, and Firing Pin.
- Follow the manufacturer's instructions for attaching the Upper Receiver to the Lower Receiver.
- Confirm that all parts are properly aligned and secured.

2. Loading the Firearm:

- Verify that the firearm is pointed in a safe direction.
- Open the action and visually inspect the chamber to ensure it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to chamber a round.

3. Firing the Firearm:

- Ensure you have a stable shooting position and a clear line of sight.
- Place your finger outside the trigger guard until you are ready to fire.
- Aim at your target and squeeze the trigger smoothly.

4. PostFiring Procedures:

- After firing, keep the firearm pointed in a safe direction.
- Remove the magazine and visually check the chamber to ensure it is empty.
- Clean and maintain your firearm regularly to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the firearm or its components become nonfunctional or unsafe, consult local regulations for proper disposal methods.
- Do not dispose of ammunition in regular trash. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or support regarding the SCR BLACK POLYMER RIFLE LOWER RECEIVER, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SCR® Rifle Lower Receiver Assembly. Always prioritize safety and responsible firearm use.
