

HK MP5 TWO-STAGE TRIGGER - TIMNEY HK MP5 TWO-STAGE TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney HK MP5 trigger is factory-set with a two pound first stage and a two pound second stage that elevates the platform so the shooter can achieve the utmost in accuracy. All trigger parts have been expertly designed and precision machined from premium materials to guarantee a lifetime of dependable service. The trigger housing is made from 6061 T6 aluminum and anodized black to create a weather and corrosion resistant trigger. To produce maximum lubricity during trigger performance, the hammer is made from S7 tool steel, heat treated, and NP3 coated. Both the trigger shoe and disconnecter have been machined from billet A2 tool steel, heat treated for durability, and carbo-nitride coated for an effortlessly smooth feel. The Timney replacement Two-Stage Trigger for HK MP5 Semi-Automatic Variants utilizes your existing rifle's ejector lever, ejector spring, and the ejector axis pin that are matched to your rifle's chambering. Compatibility: This trigger is compatible with HK 91/93 and 94 type firearms and their clones - SEF/ Semi-Auto trigger packs and corresponding safety selector levers. It is NOT compatible with Ambi/Navy/FBI trigger packs or .22 clones, as they are completely different internally.

Safety Instructions for Timney HK MP5 TwoStage Trigger

Introduction

Thank you for choosing the Timney HK MP5 TwoStage Trigger. This guide provides essential safety instructions to ensure the safe use and installation of your trigger. Please read this manual thoroughly before using the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure you are familiar with your firearm's operation and handling before installing or using the trigger.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Use the trigger only with compatible firearms as specified in the product description.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Always wear appropriate protective gear, such as eye and ear protection, when handling firearms.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not modify the trigger or any of its components.
- Ensure the firearm is unloaded before installation or maintenance.
- Follow all local laws and regulations regarding firearm modifications.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunction or irregularity while using the trigger, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Confirm that your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Trigger:** Follow the manufacturer's guidelines to safely remove the existing trigger from your HK MP5.
3. **Install the Timney Trigger:**
 - Align the Timney HK MP5 TwoStage Trigger with the existing ejector lever, ejector spring, and ejector axis pin.
 - Secure the trigger in place according to the manufacturer's specifications.
4. **Check Functionality:** After installation, perform a function check to ensure the trigger operates correctly.

Usage Instructions

- Familiarize yourself with the twostage operation of the trigger.
- Practice dry firing in a safe environment to become accustomed to the trigger pull.
- Always follow proper shooting techniques and firearm safety protocols when using your firearm equipped with the Timney trigger.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the trigger needs to be disposed of, follow local guidelines for hazardous materials, as some

components may require special handling.

Contact Information for Further Support

For any questions or concerns regarding the Timney HK MP5 TwoStage Trigger, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your responsible handling of firearms and their components.
