

OTB PLACARD 5.56X45 - SPIRITUS SYSTEMS OTB PLACARD 5.56 X .45 - COYOTE BROWN

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

OTB Placard 5.56 x 45 Over The Beach Operations are some of the most challenging and miserable operations that service members must endure. We are proud to bring a suite of products that directly results in improved load carriage and soldier survival during sea borne operations. The LV Placard was designed to give users superior retention of magazines and other mission critical equipment. The usage of elastic creates form fitting cells that can hold a variety different items. The stretchy nature of elastic allows it to expand to accommodate large or oddly shaped pieces of equipment. Unlike other elastic pouches on the market, we utilize webbing at the base of the system instead of sewing it completely shut. This allows for maximum flex and articulation and assists in eliminating the "birthing" effect (this is where items begin to be pushed out of the pouch because the elastic tapers at the bottom). Spiritus Systems has also added laminate loops on the outside of each cell to allow for the attachment of retention loops or to allow you to pull the pouch open to insert items more easily. The back of the placard is fully lined with hard loop velcro for a secure fitment to your plate carrier. The OTB 5.56 Placard differs from the standard placard in that it has a webbing strap that has velcro and a snap added to it. This webbing strap snaps into the OTB O V E R T Front Plate Bag and the Velcro tucks inside the plate bag to keep the placard more secure when jumping into water. NOTE: This is a component of a Spiritus Systems OTB (Over The Beach) LV/119 Plate Carrier build. To build the COMPLETE plate carrier that this placard is compatible with, you will need to select AT LEAST ONE of each of these items: Spiritus Systems OTB Front Plate Bag Spiritus Systems OTB Rear Plate Bag Spiritus Systems OTB Tri Fold Shoulder Covers Spiritus Systems Cummerbund Set

Attributes

- Name: [SPIRITUS SYSTEMS OTB PLACARD 5.56 X .45 - COYOTE BROWN](#)

OTB Placard 5.56X45 Safety Instruction Guide

Introduction

Thank you for choosing the OTB Placard 5.56X45 by Spiritus Systems. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read through the entire document to familiarize yourself with the safety precautions and installation instructions.

General Safety Guidelines

- Ensure that the OTB Placard is used only for its intended purpose.
- Regularly inspect the placard for any signs of wear or damage before each use.
- Keep the placard away from sharp objects, fire, and extreme temperatures to prevent damage.
- Always secure the placard properly to your plate carrier to avoid accidental detachment.
- If the placard is damaged or shows signs of significant wear, discontinue use immediately and replace it.

Specific Safety Precautions for Use

- **Retaining Equipment:** Ensure that all magazines and missioncritical equipment are securely placed within the elastic cells to prevent them from falling out during movement.
- **Water Use:** When using the placard in water, ensure that the webbing strap is properly snapped into the OTB Front Plate Bag and that the Velcro is securely tucked inside to keep the placard stable.
- **Children and Vulnerable Groups:** This product is not intended for use by children or individuals who may not be able to operate it safely. Keep out of reach of children.
- **Physical Activity:** Be cautious when engaging in physical activities such as running or jumping while wearing the placard. Ensure that it is fitted correctly to prevent injury.

Instructions for Installation and Usage

1. Fitting the Placard:

- Attach the placard to your plate carrier by aligning the hard loop Velcro on the back of the placard with the corresponding Velcro on your carrier.
- Press firmly to ensure a secure fit.

2. Loading Equipment:

- Insert magazines and other items into the elastic cells.
- Ensure that the items fit snugly and do not protrude excessively from the placard.

3. Securing the Webbing Strap:

- Snap the webbing strap into the OTB Front Plate Bag.
- Tuck the Velcro portion of the strap securely inside the plate bag to enhance stability.

4. Adjusting for Comfort:

- Adjust the fit of the placard as needed for comfort and ease of movement.
- Ensure that the placard does not obstruct your range of motion.

5. Removing the Placard:

- To remove the placard, gently peel it away from the Velcro attachment on your plate carrier.
- Store the placard in a dry place when not in use.

Disposal Instructions

- Dispose of the OTB Placard in accordance with local regulations for textile and plastic waste.
- Do not incinerate the placard as it may release harmful substances when burned.
- If the product is no longer usable, consider recycling parts where applicable.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the official Spiritus Systems website or contact your local retailer.

By following these guidelines, you can ensure a safe and effective experience with the OTB Placard 5.56X45. Thank you for your attention to safety, and enjoy your product!
