

SPUD MUNITIONS POUCH - SPIRITUS SYSTEMS SPUD MUNITIONS POUCH COYOTE BROWN

[Home](#)

SPUD Munitions Pouch The SPUD pouch is built hold pretty much anything. Spiritus Systems has taken the traditional, open-top, general-purpose pouch and thoroughly re-worked it to give it a big bump in versatility. The rim of the pouch is lined with an adjustable shock cord loop to keep the contents (secure and slip free even if they are significantly smaller than the pouch itself). The top of the pouch features both hook & loop and pull tabs so you can choose between the included scrim cover or an adjustable shock cord flap. Both options are included with every SPUD pouch. The scrim cover, when pulled tight will wrap around any irregular shapes and keep the user's kit fully locked into the pouch while still maintaining full coverage. The whole system takes up two columns of MOLLE and can be mounted pretty much anywhere. It will hold anything from a single 556 magazine, all the way up to two 7.62 magazines (and a wide variety of different items as well).

SPUD Munitions Pouch Safety Instructions

Introduction

Thank you for choosing the SPUD Munitions Pouch by Spiritus Systems. This pouch is designed for versatility and secure storage of various items. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Do not overload the pouch beyond its intended capacity.
- Keep the pouch away from extreme heat or open flames.
- Store the pouch in a cool, dry place when not in use.
- Follow all local laws and regulations regarding the use of tactical gear.

Specific Safety Precautions for Use

- When using the adjustable shock cord loop, ensure that it is securely fastened to prevent items from slipping out.
- Avoid placing sharp or hazardous items in the pouch that could puncture or damage it.
- When using the scrim cover or shock cord flap, ensure that it is properly secured to prevent accidental openings.
- Be cautious when removing items from the pouch to avoid injury or dropping items.

Instructions for Installation and Usage

1. Mounting the Pouch:

- The SPUD pouch is designed to fit on any MOLLEcompatible surface.
- Align the pouch with the desired mounting location.
- Weave the MOLLE straps through the attachment points securely.

2. Loading the Pouch:

- Open the pouch by releasing the scrim cover or shock cord flap.
- Place your items inside the pouch, ensuring they are positioned securely.
- Adjust the shock cord loop as needed to accommodate the size of the items.

3. Securing the Pouch:

- Once items are loaded, close the scrim cover or shock cord flap.
- Ensure that the closure is tight and secure to prevent items from falling out during use.

4. Removing Items:

- To access items, open the pouch by releasing the closure.
- Carefully remove items, taking care not to drop or damage them.

Disposal Instructions

- When the pouch is no longer usable, dispose of it in accordance with local waste disposal regulations.
- If the pouch is damaged or worn, do not attempt to repair it; dispose of it responsibly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SPUD Munitions Pouch, please reach out to the designated EU contact point for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your SPUD Munitions Pouch. Thank you for your attention to safety, and enjoy your product!
