

# UIC-180 STRIPPED LOWER RECEIVER - AMERICAN DEFENSE MANUFACTURING UIC-180 STRIPPED LOWER AMBIDEXTROUS RECEIVER

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

The ADM UIC-180 billet 7000 Series T6 lower receiver is outfitted with a Rear 1913 Rail Section to attach any 1913 Rifle Stock or Pistol Brace. This lower also includes our proprietary Ambidextrous magazine release, Ambidextrous bolt catch/ release lever, our dimpled take down and pivot pins and an installed mil-spec magazine release assembly. The UIC-180 Lower is coated in a Type III Teflon impregnated hard coat anodized or Cerakote finish. \*\*The UIC-180 lower was designed specifically to be used with the Brownells BRN-180 Upper Receiver, however it May or May Not work with other similar uppers. American Defense will be testing compatibility with other similar uppers in the near future.\*\* \*\*This Lower WILL NOT work with standard AR15 Upper Receivers\*\* The BRN-180 Upper Ejection Port Door may have to be removed to access the right side bolt catch/ release lever easier on this lower.

# UIC180 Stripped Lower Receiver Safety Instruction Guide

## Introduction

Thank you for choosing the UIC180 Stripped Lower Receiver from American Defense Manufacturing. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearm components.
- Always treat every firearm as if it is loaded.
- Keep the UIC180 Lower Receiver out of reach of children and unauthorized users.
- Inspect the receiver regularly for any signs of wear or damage.
- Use only compatible upper receivers as specified in this guide.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

## Specific Safety Precautions for Use

- **Compatibility Warning:** The UIC180 Lower Receiver is designed specifically for use with the Brownells BRN180 Upper Receiver. It may not be compatible with other upper receivers. American Defense will test compatibility with other similar uppers in the future.
- **AR15 Upper Compatibility:** This lower WILL NOT work with standard AR15 Upper Receivers. Attempting to use incompatible receivers may result in malfunction or injury.
- **Bolt Catch Access:** The BRN180 Upper Ejection Port Door may need to be removed to access the right side bolt catch/release lever more easily. Ensure the firearm is unloaded before performing any modifications.
- **Proper Handling:** Always keep your finger off the trigger until ready to fire. Ensure the firearm is pointed in a safe direction at all times.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have all necessary tools and components before beginning installation.
- Work in a clean, welllit area free of distractions.

### 2. Installation Steps:

- Attach the lower receiver to the compatible upper receiver by aligning the pivot pins and securing them as per the manufacturer's instructions.
- Install the milspec magazine release assembly if it is not preinstalled.
- Ensure that the ambidextrous magazine release and bolt catch/release lever are functioning correctly.

### 3. Usage Instructions:

- Load the firearm only when you are in a safe and controlled environment.
- Follow standard operating procedures for loading, unloading, and firing your firearm.
- Regularly check the functionality of the magazine release and bolt catch/release lever during use.

## **Disposal Instructions**

- Dispose of the UIC180 Lower Receiver in accordance with local regulations regarding firearm components.
- Do not dispose of the receiver in regular household waste. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the UIC180 Stripped Lower Receiver, please refer to the manufacturer's website or contact their customer service department for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your UIC180 Stripped Lower Receiver. Thank you for your attention to safety.
