

SPRINGFIELD ARMORY HELLCAT PRO BARRELS - TRUE PRECISION

HELLCAT PRO 3.7" THREADED BARREL 1/2"X28 GOLD TIN

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Easy to install drop-in design for the Hellcat Pro 9mm 3.7" Pistol. Not for the standard 3.1" Hellcat. Threaded version is notched for the Hellcat RDP Comp and will also work with most aftermarket mini and micro comps in 1/2x28. Threaded barrels include thread protector with tension lock o-ring. Advanced proprietary broach cut design specifically engineered for increased accuracy potential. Broach cut 6 groove rifling allows for all ammo types to be used safely, including cast lead. 100% Designed and manufactured in the USA with USA sourced certified 416R stainless steel. 9mm 1/10RH twist rifling. SAAMI spec chamber. Improved overall fit from OEM with added chamfers and improved radius cuts Assorted specialty coatings and finishes to choose from. Lifetime performance warranty on function.

Safety Instructions for Springfield Armory Hellcat Pro Barrels

Introduction

Thank you for choosing the Springfield Armory Hellcat Pro Barrels by True Precision. This guide provides essential safety information and instructions to ensure the safe use, installation, and disposal of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the safety features and operational guidelines of your firearm before using the Hellcat Pro Barrels.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep your firearm out of reach of children and unauthorized users.
- Use only the specified ammunition type (9 mm Luger) with your barrel.
- Regularly inspect your barrel for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Do not attempt to modify the barrel or any other firearm components.
- Always wear appropriate eye and ear protection when using your firearm.
- Ensure that the threaded barrel is securely attached before firing.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Barrel:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your Hellcat Pro 9mm 3.7" Pistol.
- Align the new Hellcat Pro Barrel with the slide and carefully insert it until it is fully seated.
- Secure the barrel in place according to your firearm's manufacturer instructions.
- Ensure that the barrel is properly locked into position.

2. Using the Threaded Barrel:

- The threaded version is compatible with most aftermarket mini and micro compensators that fit 1/2x28 threads.
- Always use the included thread protector when not using a compensator to prevent damage to the threads.
- Check that the compensator or muzzle device is securely attached before firing.

3. Cleaning and Maintenance:

- Regularly clean the barrel according to the manufacturer's recommendations to maintain performance.
- Use appropriate cleaning materials to avoid damaging the barrel's finish.

Disposal Instructions

- Dispose of any damaged or unusable barrels in accordance with local regulations.
- Contact your local waste management facility for guidance on proper disposal methods for firearm components.

Contact Information for Further Support

For any questions regarding safety, installation, or usage of the Springfield Armory Hellcat Pro Barrels, please refer to the official True Precision website or consult your local firearms expert.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Springfield Armory Hellcat Pro Barrels. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
