

SPRINGFIELD ARMORY HELLCAT PRO BARRELS - TRUE PRECISION

HELLCAT PRO 3.7" NON-THREADED BARREL STAINLESS STEEL

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Easy to install drop-in design for the Hellcat Pro 9mm 3.7" Pistol. Not for the standard 3.1" Hellcat. Threaded version is notched for the Hellcat RDP Comp and will also work with most aftermarket mini and micro comps in 1/2x28. Threaded barrels include thread protector with tension lock o-ring. Advanced proprietary broach cut design specifically engineered for increased accuracy potential. Broach cut 6 groove rifling allows for all ammo types to be used safely, including cast lead. 100% Designed and manufactured in the USA with USA sourced certified 416R stainless steel. 9mm 1/10RH twist rifling. SAAMI spec chamber. Improved overall fit from OEM with added chamfers and improved radius cuts Assorted specialty coatings and finishes to choose from. Lifetime performance warranty on function.

Safety Instruction Guide for Springfield Armory Hellcat Pro Barrels by True Precision

Introduction

Thank you for choosing the Springfield Armory Hellcat Pro Barrels by True Precision. This guide provides essential safety instructions and guidelines to ensure safe use and installation of your new barrel. Please read this document carefully before use to ensure your safety and the proper functioning of your firearm.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and follow all manufacturer guidelines.
- Always treat every firearm as if it is loaded.
- Store your firearm and ammunition separately and securely.
- Keep firearms out of reach of children and unauthorized users.
- Use only the specified ammunition type (9mm Luger) with this barrel.
- Regularly inspect your barrel for any signs of wear or damage.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Do not modify or alter the barrel in any way.
- Use the barrel only with the Springfield Hellcat Pro 9mm pistol; it is not compatible with the standard 3.1" Hellcat.
- Ensure that the barrel is properly installed before use.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and ownership.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the original barrel from the Springfield Hellcat Pro by following the manufacturer's instructions.
- Align the True Precision barrel with the slide and gently insert it into the barrel housing.
- Ensure the barrel is seated properly and secure any necessary components as per the manufacturer's guidelines.
- Doublecheck that the barrel is installed correctly before proceeding to use the firearm.

2. Usage:

- Always check that the barrel is clean and free from obstructions before loading.
- Load the firearm with 9mm Luger ammunition only.
- Test the firearm in a controlled environment to ensure proper functionality.
- If using a threaded version with compensators, ensure that they are compatible and securely attached.

Disposal Instructions

- Dispose of any packaging materials in compliance with local waste management regulations.
- If the barrel needs to be disposed of due to damage or wear, consult local regulations for proper disposal.

methods.

- Do not dispose of the barrel in regular household waste; consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Springfield Armory Hellcat Pro Barrels by True Precision, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure you have the latest information regarding safety recalls or product updates.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your Springfield Armory Hellcat Pro Barrels. Thank you for your attention to safety and responsible firearm use.
