

# AK-47/74/AKM GEN-3 SHORT TOP HAND GUARD - TEXAS WEAPON SYSTEMS AK-47/74 SHORT STOP GEN-3 HAND GUARD M-LOK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Description Designed as part of an integrated system the Gen-3 Hand Guard offers greater levels of functionality, modularity, and durability. The co-planar top rail keeps all accessories such as optics, night vision, or thermal devices properly aligned. For additional functionality the Gen-3 Hand Guard is also M-LOK compatible. The semi-floated hand guard design minimizes barrel disturbance while the ample ventilation holes assure the quickest cooling and minimize weight. Critical AK functionality is retained by allowing the installation of the cleaning rod and bayonet Product Information Manufactured from 6061-T6 Aluminum Hard black anodized finish Coplanar with Gen3 Dog Leg Rail, AKM, AK47 & 74 (PN 33310) Picatinny Rail Kit Includes Upper and lower handguard Piston guide tube Barrel clamp 2X Barrel bushing Upper and lower wedge clamps 8X Socket head screws 2X Washers Hex key wrench 9/64 Compatibility Fits AKM type stamped receiver rifles with standard smooth front trunnion. Includes barrel clamp for standard barrel diameter of .670" +/- .010" as measured 1/4 inch before rear sight block. Will not fit Yugo, milled receiver, or bulged front trunnion type rifles

# Safety Instruction Guide for AK47/74/AKM GEN3 SHORT TOP HAND GUARD

## Introduction

Thank you for choosing the AK47/74/AKM GEN3 SHORT TOP HAND GUARD from TEXAS WEAPON SYSTEMS. This product is designed to enhance the functionality and modularity of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to ensure safe installation and operation.

## General Safety Guidelines

- **Product Safety:**
  - This product is designed to meet safety standards for nonfood items and is compliant with the EU General Product Safety Regulation (GPSR).
  - Always handle the product with care and follow the instructions provided to minimize risks.
- **Enhanced Recalls:**
  - In the event of a safety concern or recall, you will be notified through standardized recall notices.
- **Online Shopping:**
  - When purchasing online, ensure that the platform complies with safety requirements similar to those found in physical stores.
- **Special Consumer Focus:**
  - Extra precautions are advised for vulnerable groups. Keep this product out of reach of children.
- **EU Contact Point:**
  - For safety inquiries, please refer to the designated EUbased contact point associated with this product.
- **Rapid Alerts:**
  - Stay informed about any safety updates or recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the hand guard.
- Use the product only with compatible firearms (AKM type stamped receiver rifles).
- Inspect the hand guard for any visible damage or defects before use.
- Do not exceed the recommended barrel clamp specifications of .670" +/- .010".
- Ensure all accessories are securely attached to prevent any accidents during use.
- Avoid exposing the hand guard to extreme temperatures or harsh chemicals that may affect its performance.
- If you experience any issues with the product, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather all necessary tools, including the hex key wrench and socket head screws provided in the kit.

## **2. Installation Steps:**

- Remove the existing hand guard from your firearm, if applicable.
- Align the upper and lower handguard with the receiver.
- Insert the piston guide tube and secure it using the provided barrel clamp.
- Attach the upper and lower wedge clamps to ensure a snug fit.
- Use the socket head screws and washers to secure all components firmly.
- Doublecheck all connections to ensure everything is securely fastened.

## **3. Usage Instructions:**

- After installation, ensure all accessories are properly aligned and secured on the coplanar top rail.
- Test the functionality of the hand guard by gently applying pressure and checking for any movement or instability.
- Regularly inspect the hand guard during use to ensure it remains securely attached.

## **Disposal Instructions**

- When disposing of the hand guard, follow local regulations regarding the disposal of aluminum products.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential harm to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK47/74/AKM GEN3 SHORT TOP HAND GUARD, please refer to the designated EUbased contact point associated with this product.

By following the guidelines and instructions provided in this document, you can ensure the safe and effective use of your AK47/74/AKM GEN3 SHORT TOP HAND GUARD. Thank you for your attention to safety.
