

# YUGO M70/M72 GEN-3 SHORT TOP HAND GUARD - TEXAS WEAPON SYSTEMS YUGO M70/72 SHORT STOP GEN-3 HAND GUARD M-LOK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Description Designed as part of an integrated system the Gen-3 Hand Guard offers greater levels of functionality, modularity, and durability. The co-planar top rail keeps all accessories such as optics, night vision, or thermal devices properly aligned. For additional functionality the Gen-3 handguard is also M-LOK compatible. The semi-floated hand guard design minimizes barrel disturbance while the ample ventilation holes assure the quickest cooling and minimize weight. Critical AK functionality is retained by allowing the installation of the cleaning rod and bayonet. Picatinny Rail ONLY Compatible with the M70 & M72 Zastava Rifles. NOT compatible with rifles that have a grenade launcher.

# YUGO M70/M72 GEN3 SHORT TOP HAND GUARD SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the YUGO M70/M72 Gen3 Short Top Hand Guard by Texas Weapon Systems. This product is designed to enhance the functionality, modularity, and durability of your firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the hand guard is compatible with your specific model (M70 or M72) and is not installed on rifles equipped with a grenade launcher.
- Always handle firearms with care and follow all applicable local and national laws regarding firearm safety.
- Keep the hand guard and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the hand guard for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the hand guard only for its intended purpose as described in this manual.
- Ensure all accessories (optics, night vision, thermal devices) are securely mounted to prevent accidental detachment during use.
- Do not exceed the weight limit of the hand guard when attaching accessories.
- Avoid exposing the hand guard to extreme temperatures, moisture, or corrosive substances.
- Always verify that the cleaning rod and bayonet are properly installed to maintain critical AK functionality.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including any required screws or mounting hardware.

### 2. Installation

- Remove the existing hand guard from your M70 or M72 rifle according to the manufacturer's instructions.
- Align the Gen3 Hand Guard with the mounting points on the rifle.
- Secure the hand guard using the provided screws or mounting hardware. Ensure that it is tightly fitted and does not wobble.
- Install any desired accessories on the coplanar top rail, ensuring they are aligned and securely attached.

### 3. Usage

- Once installed, familiarize yourself with the hand guard's features and ensure that all accessories are functioning correctly.
- Regularly check the tightness of all screws and the condition of the hand guard during use.

## **Disposal Instructions**

- When disposing of the hand guard, follow local regulations regarding electronic and nonelectronic waste disposal.
- Do not dispose of the hand guard in regular household waste. Instead, take it to a designated recycling facility or hazardous waste disposal site.

## **Contact Information for Further Support**

For any questions or concerns regarding the YUGO M70/M72 Gen3 Short Top Hand Guard, please refer to the manufacturer's website or customer support resources. Ensure you have your product details ready for any inquiries.

By following these safety instructions, you can ensure a safe and effective use of the YUGO M70/M72 Gen3 Short Top Hand Guard. Thank you for your commitment to safety and responsible firearm ownership.
