

# SAIGA 12 GEN-3 DOG LEG SCOPE RAIL / HAND GUARD BUNDLE - TEXAS WEAPON SYSTEMS SAIGA 12 GEN-3 DOG LEG SCOPE RAIL AND GEN-3 HANDGUARD BUNDLE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Description Keeping your shots on target is what it's all about. Whether you require the quick target acquisition of a red dot or the range of a magnified optic, the Gen-3 Dog LegTM scope rail has you covered. Mounted directly over the receiver, the patented Dog LegTM scope rail with integral dust cover provides optimal balance, generous rail space, and protects delicate optics from barrel heat. The ingeniously simple and rugged design provides a rock-solid mount for accuracy and a forward hinged, quick release cover with rear cam lock design to preserve the AK's field stripping qualities. The quick release hinge also allows the use of longer scopes without the need for quick detach mounts. Available in various configurations for standard pattern AK, Yugo, C39 and PSL rifles. Bundled Kit Includes Dog Leg Rail Top Cover Hinge Fork with takedown pin (pre-installed) Hinge Base with screw Nut Plate (under hinge base) Hinge Base Pin & retaining clip Cover Release Button Allen wrench  
NOTE: Some rifles need an additional part (PN 55315 - Guide Wire & Retainer Cap / 6") that works in conjunction with the TWS supplied Cover Release Button. Most AK rifles have a recoil spring assembly that consists of two long "U" shaped wires that loop together. The two looped wires assemble inside the recoil spring. If your AK rifle has a telescopic tubular type recoil guide, please order the additional part, Guide Wire & Spring Retainer (PN 55315). This additional part, along with the Cover Release Button will replace your telescopic tubular type recoil spring assembly.

## Attributes

- Name: [TEXAS WEAPON SYSTEMS SAIGA 12 GEN-3 DOG LEG SCOPE RAIL AND GEN-3 HANDGUARD BUNDLE](#)
- Manufacturer: [TEXAS WEAPON SYSTEMS](#)

# SAIGA 12 GEN3 DOG LEG SCOPE RAIL / HAND GUARD BUNDLE Safety Instructions

## Introduction

Thank you for choosing the SAIGA 12 GEN3 Dog Leg Scope Rail and Hand Guard Bundle. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and the specific components of the SAIGA 12 GEN3 Dog Leg Scope Rail and Hand Guard.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Inspect the product regularly for wear and damage. Do not use it if any parts are damaged.
- Follow all local laws and regulations regarding firearm accessories and usage.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended specifications for mounting optics on the rail.
- Ensure that the rail and handguard are securely attached before using the firearm.
- Be aware of the heat generated by the barrel during firing. Allow sufficient cooling time for the optics and rail.
- Use only compatible accessories with the Dog Leg Rail to avoid compromising safety and performance.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

#### 1. Gather Required Tools:

- Allen wrench (included)
- Additional parts if required (e.g., PN 55315 Guide Wire & Retainer Cap)

#### 2. Prepare the Firearm:

- Ensure the firearm is unloaded and the chamber is clear.

#### 3. Install the Dog Leg Rail:

- Remove the existing top cover from the firearm.
- Position the Dog Leg Rail over the receiver, ensuring the integral dust cover is aligned correctly.
- Secure the rail using the provided hinge fork and takedown pin.

#### 4. Attach the Handguard:

- Align the handguard with the rail and secure it according to the manufacturer's instructions.
- Ensure all screws and pins are tightened properly.

#### 5. Final Inspection:

- Doublecheck that all components are securely attached before using the firearm.

## **Usage**

- When using the firearm equipped with the Dog Leg Rail, ensure you are in a safe shooting environment.
- Adjust your optics as necessary for optimal target acquisition.
- Regularly check the stability of the rail and handguard during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- If the product is damaged beyond repair, consider recycling where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAIGA 12 GEN3 Dog Leg Scope Rail and Hand Guard Bundle, please refer to the manufacturer's website or customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your SAIGA 12 GEN3 Dog Leg Scope Rail and Hand Guard Bundle. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these important guidelines.
