# E&E Vertical Pouch Safety Instructions

## Introduction

Thank you for choosing the E&E (Escape & Evasion) Vertical Pouch. This guide provides essential safety instructions to ensure the safe use and maintenance of your pouch. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Keep the pouch away from sharp objects that may cause punctures.
- Store the pouch in a cool, dry place when not in use.
- Avoid exposing the pouch to extreme temperatures or harsh chemicals.

## Specific Safety Precautions for Use

- Do not overload the pouch beyond its recommended capacity, as this may affect its performance and safety.
- Be cautious when attaching the pouch to modular equipment; ensure that it is securely fastened to prevent accidental detachment.
- Keep the pouch out of reach of children to prevent misuse or accidents.
- If using the pouch in a survival situation, ensure that all contents are securely stored and accessible.

## Instructions for Installation and Usage

### 1. Attaching the Pouch:

- Use the provided MALICE CLIPS® to securely attach the pouch to your modular equipment.
- Make sure the clips are fully engaged and the pouch is stable before use.

### 2. Organizing Contents:

- Utilize the 5 internal pockets for organizing your gear.
- Store small items in the clear window pocket for easy visibility.
- Use the elastic loops to hold items securely in place.

### 3. Using the Clear Window:

- The clear window on the flap can be used to store a small map or rifle dope. Ensure that the material is compatible and does not obstruct visibility.

### 4. Maintenance:

- Clean the pouch with a damp cloth and mild soap as needed.
- Avoid machine washing or drying, as this may damage the materials.

## Disposal Instructions

- Dispose of the pouch in accordance with local regulations.
- If the pouch is damaged beyond repair, consider recycling components where possible.
- Do not burn the pouch, as it may release harmful fumes.
