# E&E (ESCAPE & EVASION) VERTICAL POUCH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the E&E (Escape & Evasion) Vertical Pouch from Grey Ghost Gear. This pouch is designed to carry essential items during emergencies. Please read this safety instruction guide carefully to ensure safe use and maintenance of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the pouch by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** When purchasing this product online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the provided contact information from your retailer or manufacturer.
- **Rapid Alerts:** Be aware of any updates regarding product safety through the Safety Gate system.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The pouch is designed for carrying items but should not be overloaded, which may cause damage or injury.
  - Avoid using the pouch in extreme weather conditions that may compromise its materials or your safety.
- **Instructions for Avoiding Hazards:**
  - Ensure all items placed inside the pouch are securely stored to prevent accidental loss or injury.
  - Regularly inspect the pouch for any signs of wear or damage before each use.
  - Do not use the pouch for purposes other than intended (e.g., as a flotation device).
- **Age Specific Warnings:**
  - This product is not suitable for children. Ensure that it is used only by adults or under adult supervision.

## Instructions for Installation and Usage

- **Installation:**
  - To attach the pouch to your modular equipment, use the two short MALICE CLIPS® provided.
  - Ensure that the clips are securely fastened to prevent the pouch from detaching during use.
- **Usage:**
  - Open the flap of the pouch to access the internal compartments.
  - Utilize the 5 internal pockets for organizing your items. The clear window on the main pocket allows for easy visibility of contents.
  - Use the elastic loops to secure smaller items, and the hook and loop panel for attaching additional accessories if needed.
  - For emergency situations, you may store chem lights and signal mirrors in designated loops and pockets.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations regarding textile waste.
- If the pouch is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the pouch in regular household waste if it contains hazardous materials or components.

## **Contact Information for Further Support**

For any questions or concerns regarding the E&E Vertical Pouch, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your E&E Vertical Pouch responsibly!
