Safety Instruction Guide for ADMIN ENHANCED THIN POUCH

Introduction

Thank you for choosing the ADMIN ENHANCED THIN POUCH by Grey Ghost Gear. This guide provides essential safety information and instructions for the safe use and maintenance of your pouch. Please read this guide carefully to ensure your safety and the longevity of the product.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage. Do not use if damaged.
- Keep the pouch away from extreme temperatures, moisture, and direct sunlight to prevent material degradation.
- Store the pouch in a dry and cool environment when not in use.
- This product is not a toy. Keep out of reach of children.
- If you encounter any issues or have safety concerns, please report them to the appropriate authorities.

Specific Safety Precautions for Use

- Use the included Malice Clips® to secure the pouch properly to modular webbing.
- Avoid overloading the pouch beyond its capacity, which may compromise its structural integrity.
- Be cautious when using sharp objects or tools inside the pouch to prevent accidental punctures.
- Ensure that the zipper is fully closed when the pouch is being carried to avoid accidental opening.
- Do not leave the pouch unattended in public places to prevent theft or loss of items stored inside.

Instructions for Installation and Usage

1. Installation:

- Identify the modular webbing area where you want to attach the pouch.
- Use the two included Malice Clips® to secure the pouch to the webbing. Ensure the clips are firmly in place.

2. Usage:

- Open the pouch by using the dual pull zipper.
- Utilize the interior pocket and elastic loops to organize smaller items such as pens, lighters, multitools, and batteries.
- Adjust the cord to allow the pouch to open fully or partially, depending on your preference.
- When not in use, store the pouch in a clean, dry place.

Disposal Instructions

- Dispose of the pouch responsibly at a designated waste facility.
- If the pouch is damaged beyond repair, consider recycling the materials where possible.
- Do not incinerate the pouch as it may release harmful substances.
