

# SLIM MEDICAL POUCH - GREY GHOST GEAR SLIM MEDICAL POUCH RANGER GREEN

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

This pouch is a game changer, no doubts about it. Grey Ghost Gear thought of everything that their medical professionals need to keep people alive, and have devised one of – if not THE best – medically minded pouches on the market. Their Slim Medical Pouch is designed to take up only two modular webbing channels on your vest or other MOLLE compatible platform. As its name states, it has a slim profile and is specifically designed to carry your most important trauma supplies. Dual zippers running the full length of the pouch, combined with a large pull tab, allow quick access to the contents inside the pouch. On the inside is plenty of room for essential trauma items as well as a flat pocket and elastic bands to secure various items. A bungee retainer system on the front of the pouch can secure a tourniquet and two rows of modular webbing on either side can hold a pair of trauma shears or other important items. The pouch is constructed of 500D Cordura® Nylon and attaches to any MOLLE/PALS style webbing with the two included MALICE® Clips. This pouch was designed to carry the following items, but is capable of storing a variety of other items just as well: H&H compressed Gauze x2 Quickclot Combat Gauze 6" Israeli Compression Bandage 28 FR NPA Decompression Needle 1 pair of Nitrile Gloves HALO Chest Seal x2 CAT Tourniquet x2 Trauma Sheers Please Note: Medical supplies listed are not included with purchase. Dimensions: 5" tall x 4" wide x 2.5" deep Available in Black, Coyote Brown, Ranger Green and MultiCam®

# SLIM MEDICAL POUCH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SLIM MEDICAL POUCH by Grey Ghost Gear. This pouch is designed to provide essential storage for your trauma supplies while ensuring ease of access and safety. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the pouch is used only for its intended purpose, which is to store and carry medical supplies.
- Regularly check the pouch for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep the pouch out of reach of children unless they are supervised by an adult.
- Always ensure that the pouch is securely attached to your vest or MOLLE compatible platform before use.
- Familiarize yourself with the contents of the pouch and their respective uses to ensure effective application in emergencies.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The pouch is not a substitute for professional medical training. Always seek professional assistance in emergencies.
  - The contents of the pouch may include sharp objects (e.g., trauma shears) that can cause injury if mishandled.
- **Avoiding Hazards:**
  - Handle all contents with care, especially sharp items.
  - Ensure that the dual zippers are fully closed when not in use to prevent accidental opening.
  - Do not overload the pouch with items that exceed its intended capacity, as this may compromise its structural integrity.
- **Age Specific Warnings:**
  - This pouch is not intended for use by children without adult supervision. Ensure that children do not have access to the medical supplies stored within.

## Instructions for Installation and Usage

- **Installation:**
  - Attach the pouch to your vest or MOLLE compatible platform using the two included MALICE Clips.
  - Ensure that the pouch is securely fastened and does not move during use.
- **Usage:**
  - Open the pouch using the dual zippers for quick access to the contents.
  - Utilize the elastic bands and flat pocket inside the pouch to organize and secure your medical supplies.
  - Use the bungee retainer system on the front of the pouch to secure a tourniquet or other essential items.
  - Regularly review and restock the pouch with necessary medical supplies to ensure readiness in emergencies.

## Disposal Instructions

- Dispose of the pouch in accordance with local regulations for textile and nylon products.
- Ensure that any medical supplies that are expired or no longer needed are disposed of safely and responsibly, following local medical waste disposal guidelines.

## **Contact Information for Further Support**

For any questions regarding the SLIM MEDICAL POUCH or its contents, please refer to the manufacturer's contact information provided with your purchase.

## **Conclusion**

By following these safety instructions, you can ensure the effective and safe use of the SLIM MEDICAL POUCH. Always prioritize safety and preparedness in any situation involving medical emergencies.
