

RANGE BAG - GREY GHOST GEAR RANGE BAG BLACK WITH RED ZIPPER PULLS

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Grey Ghost Gear™ Range Bag will get you to the range with the kit that you need for a day on the range and keep it organized and handy. The bag measures 9 inches tall, 20 inches wide, and 7 inches deep. 1260 total cubic inches. It is constructed of 500D nylon Cordura. The strap is generous, padded and contoured to stay on the users shoulder when they have their hands full. It features full adjustability and is easily removed by disengaging the side release buckles on either side. On either end there are zippered pockets sized to contain folded electronic ear pro, range finders, staple guns, or your lunch. On the front of the bag is a zippered pouch that will allow the front to fold out to a handy workstation. Two zippered diagonal pockets are perfect for allen keys and other small tools, while the interior wall is outfitted with elastic loop for magazine and or tool storage. The fold down flap is covered with vinyl to make a workspace that can stand up to oil and solvents used in cleaning and lubing your weapon. The real hero is the rare earth magnet sewn into the middle of the work area that will draw small metal pieces to it, like grip screws, to keep them from walking off. On the reverse side of the bag there is a flap pocket to accept a gun rug, targets and the like. Two exterior zippered pockets are ideal for score cards, batteries, or range snacks. The interior of the main compartment is lined with hook and loop material, so you can configure the customizable divider and the removable mesh dump pouch for you brass hounds out there. The lid has mesh storage on the underside for even more organization of shooting supplies. The bottom of the bag has non-skid feet and webbing to reinforce the bag.

Safety Instruction Guide for Grey Ghost Gear Range Bag

Introduction

Thank you for choosing the Grey Ghost Gear Range Bag. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your range bag. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the range bag is used only for its intended purpose as a carrying bag for shooting supplies and related equipment.
- Inspect the bag regularly for any signs of wear and tear. Do not use if damaged.
- Keep the bag and its contents out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the bag, especially in public or crowded areas.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always secure the bag properly when transporting it to prevent accidental opening.
- Avoid overloading the bag beyond its capacity to maintain structural integrity.
- Store sharp tools or equipment securely within the bag to prevent injury.
- Use the padded shoulder strap to distribute weight evenly and reduce strain on your body.
- Ensure that the zipper pockets are fully closed when not in use to prevent items from falling out.
- Be cautious when using the work area flap; ensure it is stable before placing items on it.

Instructions for Installation and Usage

- **Adjusting the Strap:**
 - Locate the side release buckles on either side of the strap.
 - To adjust, disengage the buckles and slide the strap to your desired length.
 - Reengage the buckles to secure the strap in place.
- **Using the Zippered Pockets:**
 - Open the zippered pockets on either end to store items such as ear protection, range finders, or snacks.
 - Ensure that all items are securely placed within the pockets before closing the zippers.
- **Setting Up the Workstation:**
 - Unzip the front pouch and fold it out to create a stable workstation.
 - Ensure the work area is clean and free of debris before placing any items on it.
 - Utilize the rare earth magnet to hold small metal pieces securely while working.
- **Organizing the Interior:**
 - Use the elastic loops on the interior wall for storing magazines or tools.
 - Adjust the customizable divider and removable mesh dump pouch according to your storage needs.
- **Cleaning and Maintenance:**

- Clean the bag using a damp cloth and mild soap as needed.
- Avoid using harsh chemicals that may damage the material.
- Allow the bag to air dry completely before storing it away.

Disposal Instructions

When disposing of the Grey Ghost Gear Range Bag, please follow these guidelines: * Dispose of the bag in accordance with local waste management regulations. * If the bag is damaged beyond repair, consider recycling the materials if possible. * Do not burn the bag, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or further support regarding your Grey Ghost Gear Range Bag, please consult the manufacturer's website or customer service resources.

Thank you for your attention to these safety instructions. Enjoy your time at the range!
