

AR-15 ROLLER CAM PIN - PATRIOT ORDNANCE FACTORY AR-15 ROLLER CAM PIN

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Parts](#) > [Bolt Carrier Hardware](#)

POF'S patented Roller Cam Pin is just one more example of how far they will go to reduce friction and drag. Standard AR cam pins feature a square head that grinds along the inside of the aluminum receiver. Used as a replacement part for most piston AR bolt carrier groups. Note: The 5.56 version fits with all Gas Piston 5.56 carriers, all REVOLUTION carriers, and all ROGUE carriers

Attributes

- Name: [PATRIOT ORDNANCE FACTORY AR-15 ROLLER CAM PIN](#)
- Manufacturer: [PATRIOT ORDNANCE FACTORY](#)
- Product no.: 430105100
- Mfr. No.: 00307

AR15 Roller Cam Pin Safety Instructions

Introduction

Thank you for choosing the AR15 Roller Cam Pin from Patriot Ordnance Factory. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the AR15 Roller Cam Pin is installed by a qualified gunsmith or an experienced user to avoid improper installation.
- Always follow the manufacturer's recommendations for maintenance and care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Roller Cam Pin for wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Roller Cam Pin with compatible piston AR bolt carrier groups, including all Gas Piston 5.56 carriers, REVOLUTION carriers, and ROGUE carriers.
- Avoid using the product with incompatible components, as this may cause malfunction or injury.
- Wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Do not modify the Roller Cam Pin in any way, as this may compromise its performance and safety.
- Ensure the firearm is unloaded before installing or removing the Roller Cam Pin.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather the necessary tools for installation, including a punch tool if required.

2. Installation Steps:

- Remove the existing cam pin from the bolt carrier group by pushing it out with a punch tool.
- Take the AR15 Roller Cam Pin and align it with the cam pin slot in the bolt carrier group.
- Gently push the Roller Cam Pin into place until it is securely seated.
- Verify that the Roller Cam Pin moves freely within its slot and does not obstruct any other components.

3. PostInstallation Checks:

- After installation, check the bolt carrier group for proper operation.
- Conduct a function test to ensure that the firearm cycles correctly when fired.

4. Usage:

- Regularly clean and maintain the Roller Cam Pin as part of your firearm maintenance routine.
- Monitor the performance of the Roller Cam Pin during use and replace it if any signs of wear or damage are observed.

Disposal Instructions

- Dispose of the Roller Cam Pin in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible, as it is made of metal.

Contact Information for Further Support

For any inquiries or support regarding the AR15 Roller Cam Pin, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 Roller Cam Pin. Thank you for your attention to safety and compliance with EU General Product Safety Regulations.
