

BRN-4 STRIPPED BARRELS CHROME LINED - BRN-4 5.56X45 13.7" MEDIUM CHROME LINED BARREL, PHOSPHATE

Brownells BRN-4 HK® 416 compatible barrels, available in a variety of lengths and two contours. Historically extremely hard to procure, HK® 416 compatible barrels are now available as part of the BRN-4 lineup. These barrels machined by Faxon, fit early generations of HK® 416 upper receivers and components. They are the perfect fit with the BRN-4 bolt carrier group and gas block (search "BRN-4" for all parts). Available in common barrel lengths of 10.4, 14.5 and 16 inch, these barrels are suitable for any need. You can select the classic "heavy" profile, which is similar to the profile found on earlier HK® 416 models, ensuring barrel rigidity with minimal flex, or you can pick the new "medium" profile, which saves weight and makes the rifle quite handy. Barrels are button rifled with a 1-7 twist and have commonly used 1/2-28 muzzle threads for the attachment of the muzzle device of your choice. A deep black nitride finish provides an extremely hard exterior and interior, that is easy to clean. The longer barrel extension of the BRN-4 allows for a robust matchup to the upper receiver, and a simple install with the BRN-4 barrel nut (430-100-141). 5.56x45mm NATO chamberings allow for a wide variety of commercially found ammunition to function, as well as 223 Remington cartridges. No need to worry about picking the right gas system length, as all of these barrels have the same piston rod assembly (078-000-644), just be sure to pick the correct BRN-4 gas block to match your overall barrel length, (078-000-708 & 078-000-709). Be sure to pick up the gas block coil pins for final assembly as well (430-103-127). Recommended Barrel Nut Torque: 50-80 ft/lbs

Attributes

- Name: BRN-4 5.56X45 13.7" MEDIUM CHROME LINED BARREL, PHOSPHATE
- Manufacturer: BROWNELLS
- Product no.: 430105150
- Mfr. No.: BN-BRN4556-CLMP-13.7M

Sicherheitshinweise für BRN4 Stripped Barrels

Einleitung

Vielen Dank, dass du dich für den BRN4 Stripped Barrel von Brownells entschieden hast. Dieser Lauf ist speziell für die Verwendung mit HK® 416 kompatiblen Oberteilen konzipiert und bietet eine hohe Laufrigidität sowie eine robuste Bauweise. Um sicherzustellen, dass du das Produkt sicher und effektiv nutzen kannst, haben wir diese Sicherheitshinweise erstellt. Bitte lies sie sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass der Lauf nur von Personen verwendet wird, die mit dem Umgang von Feuerwaffen vertraut sind.
- Bewahre den Lauf an einem sicheren Ort auf, der für Kinder unzugänglich ist.
- Überprüfe regelmäßig den Zustand des Laufs und der zugehörigen Komponenten auf Abnutzung oder Beschädigung.
- Halte dich an alle geltenden Gesetze und Vorschriften für den Besitz und die Nutzung von Feuerwaffen in deinem Land oder deiner Region.
- Melde unsichere Produkte oder Vorfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende nur Munition, die für die 5.56x45mm NATO Kammerung geeignet ist.
- Achte darauf, dass der Lauf korrekt montiert ist, bevor du ihn verwendest.
- Verwende nur die empfohlenen Gasblocks (078000708 & 078000709) und stelle sicher, dass du die richtigen GasblockFederstifte (430103127) für die Endmontage hast.
- Überprüfe vor jedem Schuss, ob der Lauf frei von Verunreinigungen oder Blockaden ist.
- Trage immer geeignete Schutzausrüstung, wie Augen und Gehörschutz, während der Verwendung.

Anweisungen zur Installation und Verwendung

1. Montage des Laufs:

- Stelle sicher, dass der Lauf und die Laufmutter (430100141) sauber und frei von Schmutz sind.
- Setze den Lauf in das Oberteil ein und ziehe die Laufmutter mit einem empfohlenen Drehmoment von 5080 ft/lbs fest.
- Überprüfe die Verbindung auf Stabilität.

2. GasblockInstallation:

- Wähle den passenden Gasblock entsprechend deiner Lauflänge.
- Setze den Gasblock auf den Lauf und befestige ihn mit den entsprechenden Schrauben.
- Stelle sicher, dass die GasblockFederstifte korrekt eingesetzt sind.

3. Verwendung des Laufs:

- Überprüfe vor jedem Gebrauch die Waffe auf korrekte Montage und Funktion.
- Lade die Waffe nur in einem sicheren Bereich und halte den Lauf immer in eine sichere Richtung.

Entsorgungsanweisungen

- Entsorge den Lauf und alle zugehörigen Komponenten gemäß den geltenden Gesetzen und Vorschriften für gefährliche Abfälle in deiner Region.
- Informiere dich über lokale Sammelstellen oder spezielle Entsorgungsdienste für Feuerwaffenkomponenten.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Stelle sicher, dass du alle relevanten Informationen über das Produkt bereithältst, wenn du Kontakt aufnimmst.

Bitte beachte, dass diese Sicherheitshinweise regelmäßig aktualisiert werden können. Halte dich über die neuesten Informationen und Rückrufaktionen auf dem Laufenden, indem du die EU Safety Gate Plattform besuchst.

Safety Instruction Guide for BRN4 Stripped Barrels

Introduction

Thank you for choosing the BRN4 Stripped Barrels. This guide is designed to provide important safety information and instructions for the proper use and maintenance of your barrel. Please read this document carefully to ensure safe handling and optimal performance.

General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that you are familiar with local laws and regulations regarding firearms and their components.
- Regularly check for any signs of wear or damage to your barrel before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use ammunition that is compatible with the 5.56 x 45 caliber specifications.
- Ensure that the barrel is properly installed and secured before use.
- Do not exceed the recommended torque specifications for the barrel nut (5080 ft/lbs).
- Be aware of the muzzle threads (1/228) for proper attachment of muzzle devices.
- Avoid using the barrel with incompatible gas systems or components.
- Inspect the barrel for any obstructions before firing.

Instructions for Installation and Usage

1. Installation of the Barrel:

- Ensure that the firearm is unloaded and safe to work on.
- Remove the existing barrel from the upper receiver if applicable.
- Align the BRN4 barrel with the upper receiver, ensuring that the barrel extension fits snugly.
- Secure the barrel using the BRN4 barrel nut. Tighten to the recommended torque specifications (5080 ft/lbs) using a torque wrench.
- Install the gas block and ensure it is properly aligned with the gas port on the barrel.

2. Usage of the Barrel:

- Load the firearm with compatible ammunition (5.56 x 45 or .223 Remington).
- Ensure that the gas system is properly configured for the barrel length you are using.
- Fire the firearm in a safe and controlled environment, following all standard firearm safety practices.

3. PostUsage Maintenance:

- After use, clean the barrel according to the manufacturer's recommendations.
- Inspect for any signs of wear, damage, or fouling. Address any issues before the next use.

Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Follow proper procedures for the disposal of firearms and components to ensure safety and compliance with applicable laws.

Contact Information for Further Support

For any questions or concerns regarding the BRN4 Stripped Barrels, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your BRN4 Stripped Barrels responsibly and safely!

Istruzioni di Sicurezza per il Prodotto: BRN4 Stripped Barrels Chrome Lined

Introduzione

Grazie per aver scelto il fusto BRN4 Stripped Barrels Chrome Lined di Brownells. Questo prodotto è progettato per garantire prestazioni elevate e una lunga durata. Tuttavia, è fondamentale seguire alcune linee guida di sicurezza per assicurare un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Conserva queste istruzioni in un luogo sicuro per future consultazioni.
- Controlla il prodotto regolarmente per eventuali segni di usura o danni.
- Non utilizzare il prodotto se noti anomalie o difetti.
- Segui sempre le leggi locali e nazionali relative all'uso delle armi e dei relativi componenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza esclusivamente munizioni compatibili (5.56x45mm NATO o .223 Remington).
- Non superare mai la coppia di serraggio raccomandata per il dado del fusto (5080 ft/lbs).
- Indossa sempre occhiali protettivi e protezioni per le orecchie quando utilizzi il fucile.
- Evita di toccare il fusto o le parti calde subito dopo l'uso per prevenire scottature.
- Non tentare di modificare il fusto o di utilizzare parti non autorizzate.
- Tieni il fucile scarico e lontano da bambini e animali quando non in uso.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati di avere tutti gli strumenti necessari per l'installazione.
- Verifica che il ricevitore superiore sia compatibile con il fusto BRN4.

2. Installazione:

- Monta il fusto sul ricevitore superiore seguendo le istruzioni del produttore.
- Utilizza il dado del fusto BRN4 (430100141) per fissare il fusto.
- Assicurati che il blocco gas BRN4 sia corretto per la lunghezza del fusto scelto (078000708 & 078000709).

3. Verifica Finale:

- Controlla che tutte le parti siano fissate correttamente e che non ci siano giochi.
- Esegui un'ispezione finale per assicurarti che non ci siano oggetti estranei nel sistema.

4. Uso:

- Carica il fucile solo quando sei pronto a utilizzare.
- Segui sempre le pratiche di sicurezza standard per l'uso delle armi.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali e delle parti del fusto.
- Non gettare il prodotto nell'ambiente. Contatta un centro di raccolta locale per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza del prodotto, contatta il servizio clienti dell'azienda produttrice. Assicurati di avere a disposizione il numero di modello e la prova di acquisto.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e soddisfacente del tuo fusto BRN4 Stripped Barrels Chrome Lined. La tua sicurezza è la nostra priorità.
