

# BCMGUNFIGHTER COMPENSATOR MOD 3- 5.56MM - BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 3- 5.56MM

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The BCMGUNFIGHTER™ Compensator Mod 3-5.56 This Compensator was not designed as a gamers comp. It was designed for tactical applications to reduce muzzle rise, flash signature, noise, and lateral pressure. Tuned slots and ports offer recoil mitigation, compensation of muzzle-rise, and flash reduction. Dual action brake minimizes side pressure and designed to have less noise associated with typical compensators. Nitride treated for maximum corrosion resistance. Pre-drilled hole at the base for permanent installation. Includes a Crush Washer. Should be installed by a qualified armorer. Threaded 1/2 x 28 for 5.56mm AR15 platforms. Extended version of the BCMGUNFIGHTER™ MOD 2 - 5.56. Mount per BATF specs to bring your 14.5 inch barrel over 16 inches (non-NFA). Please note: The combustion gasses exiting the muzzle of a rifle are extremely hot, traveling at extreme velocity, and contains not only burning gasses but solid particles of unburnt powder as well as metals from the projectile. Due to the inherent nature of steel, it is nearly impossible to survive unaffected in this environment when directly exposed. The high temperatures begin to make the steel more malleable, which allows solid particles and pressure waves to deform and erode surfaces upon exit.

## Attributes

- Name: [BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 3- 5.56MM](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 430105159
- Mfr. No.: BCM-GFC-MOD-3-556
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Steel
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.227kg
- Shipping height: 32mm
- Shipping width: 83mm
- Shipping length: 178mm
- UPC: 812526023612

# BCMGUNFIGHTER Compensator Mod 35.56 Safety Instruction Guide

## Introduction

Thank you for choosing the BCMGUNFIGHTER Compensator Mod 35.56. This product is designed for tactical applications to enhance performance and safety. Please read this safety instruction guide carefully to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you understand the product's features and functions before use.
- Always follow local laws and regulations regarding firearm accessories.
- Use the compensator only with compatible firearms, specifically 5.56mm AR15 platforms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the compensator for signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- The combustion gases exiting the muzzle are extremely hot and can cause burns. Always handle the firearm with caution.
- Avoid direct exposure to the muzzle when firing; maintain a safe distance.
- Wear appropriate personal protective equipment (PPE), including eye and ear protection, when using the firearm.
- Be aware of the noise produced by the compensator, which may be louder than standard muzzle devices.
- Ensure the compensator is installed correctly to prevent malfunctions or accidents.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device from the firearm, if applicable.
- Clean the threads of the barrel to remove any debris or old thread locker.
- Apply a small amount of thread locker to the threads of the compensator.
- Thread the compensator onto the barrel, ensuring it is aligned correctly.
- Tighten the compensator securely, using a wrench if necessary, but avoid overtightening.
- Install the provided crush washer to ensure a proper fit.
- Verify that the compensator is securely attached before use.

### 2. Usage

- Always check the firearm for proper function before firing.
- Use only ammunition that is compatible with the compensator and the firearm.
- Fire the firearm in a safe and controlled environment.
- Monitor the compensator for any signs of damage during use.
- After use, allow the compensator to cool down before handling.

## Disposal Instructions

- Dispose of the compensator according to local regulations for metal recycling.
- Ensure that the product is rendered unusable before disposal to prevent unauthorized use.

## **Contact Information for Further Support**

For inquiries regarding safety or product information, please refer to the manufacturer's official communication channels. Always ensure that you have the latest updates regarding product recalls or safety notices.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the BCMGUNFIGHTER Compensator Mod 35.56. Always prioritize safety and compliance with applicable laws. Thank you for your attention to these important guidelines.
