

BCMGUNFIGHTER COMPENSATOR- MOD 4 5.56 - BCMGUNFIGHTER COMP MOD 4 -5.56 (1.75" CLOSED TINE)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The BCMGUNFIGHTER™ Compensator Mod 4-5.56 Based off feedback from the Gunfighters, industry professionals, and Bravo's customers, BCM has designed a new generation of compensators. These compensators were designed to reduce muzzle rise, flash signature, noise, and lateral pressure for tactical applications. These are lifesaving tools for your professional grade weaponry. Tuned slots and ports offer compensation of muzzle-rise and flash reduction. No ground-facing openings; reduces unwanted kick-up of dust or debris when shooting prone or from a barricade Designed to have less side blast and noise associated with typical compensators. Nitride treated for maximum corrosion resistance Includes a Crush Washer Should be installed by a qualified armorer. Threaded 1/2 x 28 for 5.56mm AR15 platforms. Please note: The combustion gasses exiting the muzzle of a rifle are extremely hot, traveling at extreme velocity, and contains not only burning gasses but solid particles of unburnt powder as well as metals from the projectile. Due to the inherent nature of steel, it is nearly impossible to survive unaffected in this environment when directly exposed. The high temperatures begin to make the steel more malleable, which allows solid particles and pressure waves to deform and erode surfaces upon exit.

Attributes

- Name: [BCMGUNFIGHTER COMP MOD 4 -5.56 \(1.75" CLOSED TINE\)](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 430105160
- Mfr. No.: BCM-GFC-MOD-4-556
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Make: AR-15
- Material: Steel
- Threads: 1/2-28
- Delivery weight: 0.227kg
- Shipping height: 32mm
- Shipping width: 83mm
- Shipping length: 178mm
- UPC: 812526023629

BCMGUNFIGHTER COMPENSATOR MOD 4 5.56

Safety Instruction Guide

Introduction

Thank you for choosing the BCMGUNFIGHTER Compensator Mod 45.56. This product is designed to enhance the performance of your AR15 platform while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain the compensator safely and effectively.

General Safety Guidelines

- Ensure that the compensator is installed by a qualified armorer to avoid any improper installation that may lead to accidents.
- Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- Store the compensator and your firearm in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with the specific laws and regulations regarding firearms and accessories in your area.
- Regularly inspect the compensator for signs of wear or damage. If any issues are identified, discontinue use immediately.

Specific Safety Precautions for Use

- The combustion gases exiting the muzzle are extremely hot and can cause burns. Always ensure proper ventilation when firing.
- Solid particles and gases may exit the compensator at high velocity. Wear appropriate eye and ear protection during use.
- Be aware of your surroundings when firing. Ensure that there are no obstructions or individuals in the line of fire.
- Avoid shooting from prone positions or barricades without ensuring that the area behind the target is clear.
- Do not modify the compensator in any way. Alterations can compromise safety and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Using the appropriate tools, attach the compensator to the muzzle of the firearm, ensuring that the threads are aligned correctly.
- Use the included crush washer to secure the compensator in place.
- Confirm that the compensator is tightened to the manufacturer's specifications.

2. Usage:

- Always wear protective gear, including shooting glasses and ear protection, while using the compensator.
- Fire the weapon in a safe and controlled environment, following all local laws and regulations.
- Monitor the performance of the compensator during use. If you notice excessive noise, vibration, or other irregularities, cease use immediately and consult a qualified armorer.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations governing the disposal of firearm accessories.
- If the compensator is damaged or no longer usable, consider recycling metal components where applicable.
- Ensure that any disposed items are rendered unusable to prevent unauthorized use.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BCMGUNFIGHTER Compensator Mod 45.56, please refer to the manufacturer's website or contact the customer service department directly.

Thank you for prioritizing safety and ensuring proper use of your BCMGUNFIGHTER Compensator.
