

# MK 2 RECEIVER EXTENSION - BRAVO COMPANY MK2 RECEIVER EXTENSION

[Rifle Parts](#) > [Receiver Parts](#) > [Buffer Tube Parts](#) > [Buffer Tubes](#)

The BCM MK2 Receiver Extension for your AR15, M16, M4. Machined from 7075T6 and manufactured to Mil-Spec dimensions and specifications. Mil-Spec receiver extensions have a slightly smaller dimension where the stock slides on. Hard Coat Anodized per Mil-A-8625F, Type III, Class 2 These tubes should be used with stocks such as USGI, BCMGUNFIGHTER™, Colt, LMT, SOPMOD, VLTOR, Stag Arms, and others that are made to the Mil-Spec size. THESE RECEIVER EXTENSIONS CAN ALSO BE USED ON MOST AR-10s. \*NOTE\* These buffer tubes require a M16 rifle action spring and specific BCM MK2 buffer, carbine and rifle buffers will NOT work.

# MK 2 Receiver Extension Safety Instruction Guide

## Introduction

Thank you for choosing the BCM MK2 Receiver Extension for your AR15, M16, or M4. This guide provides important safety information to ensure the safe use of this product. Please read and understand all instructions before use.

## General Safety Guidelines

- Ensure that the BCM MK2 Receiver Extension is used only with compatible stocks designed to MilSpec dimensions.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Be aware of your surroundings and ensure that the firearm is used in a safe environment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the receiver extension for signs of wear or damage before each use.

## Specific Safety Precautions for Use

- Use only the recommended M16 rifle action spring and BCM MK2 buffer with this receiver extension. Carbine and rifle buffers are not compatible.
- Ensure that the receiver extension is properly installed and secured before using the firearm.
- Do not exceed the manufacturer's specifications for the buffer tube to avoid potential malfunctions.
- Always handle firearms with care and treat every firearm as if it were loaded.
- If you experience any malfunctions or unusual behavior while using the firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing receiver extension if applicable.
- Install the BCM MK2 Receiver Extension by threading it into the lower receiver until it is securely in place.
- Install the M16 rifle action spring and the BCM MK2 buffer according to the manufacturer's instructions.
- Reattach the stock, ensuring it is fully seated and secured.

### 2. Usage Steps:

- Before firing, conduct a safety check to ensure the firearm is functioning properly.
- Follow standard firearm safety practices while using the firearm equipped with the BCM MK2 Receiver Extension.
- After use, clean and inspect the receiver extension and all components to ensure they are in good working condition.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the receiver extension is damaged or no longer usable, consult local regulations for proper disposal methods. Do not dispose of it in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BCM MK2 Receiver Extension, please reach out to your local dealer or the manufacturer directly for assistance.

By following these safety instructions, you can ensure a safer experience with your BCM MK2 Receiver Extension. Thank you for your attention to these important guidelines.
