

AR-15 ARIC INTERNAL CARRIERS W/LAW FOLDER - LAW TACTICAL AR15 ARIC UNSUPPRESSED CARRIER W/ FOLDING STOCK ADAPTER

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

FIRE FOLDED! The Law Tactical ARIC (AR Internal Carrier) is a drop in conversion for AR15-type direct impingement firearms that replaces the traditional Bolt Carrier Group, Recoil Spring and Buffer. Firearms equipped with ARIC and Law Tactical Folding Stock Adapters can be fired repeatedly in both the folded and unfolded position, expanding the mission profile of the AR15. NO TOOLS REQUIRED! Once installed, ARIC does not require any tools for removal, reinstallation, cleaning, maintenance or conversion. Each component can be field stripped, inspected or replaced without tools. Maintaining the simplicity and efficiency of the AR system. 100% BACKWARD COMPATIBILITY! ARs can be converted between ARIC and standard BCGs and recoil components without tools, maintaining compatibility with standard AR15 components, enhancing the ARs capabilities while maintaining interoperability. THERE ARE TWO VERSIONS OF ARIC TO ACCOMMODATE VARIOUS SYSTEMS: ARIC-C: Unsuppressed Usage: 5.56mm NATO, .223 Remington. ARIC-M: Suppressed Usage : 5.56mm NATO, .223 Remington, Unsuppressed Usage: 5.56 Nato. See ARIC Version Selection Guide for more information. For all technical questions please contact Law Tactical directly at: 267-209-0529, or sales@lawtactical.com.

Safety Instruction Guide for the AR15 ARIC Internal Carriers with Law Tactical Folding Stock Adapter

Introduction

Thank you for choosing the Law Tactical ARIC Internal Carrier for your AR15 firearm. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with your firearm's operation and safety features before using the ARIC.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and the ARIC in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and the ARIC for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by adults only. Ensure that minors do not handle the firearm equipped with the ARIC.
- **Proper Handling:** Always handle your firearm with care. Avoid placing your finger on the trigger until you are ready to shoot.
- **Firing Position:** Ensure the firearm is in a stable position before firing, whether it is folded or unfolded.
- **Use of Suppressors:** If using the ARICM version, ensure that it is properly set up for suppressed usage to avoid any malfunction.
- **Environmental Considerations:** Be aware of your surroundings and ensure that you are in a safe location to fire your weapon.
- **Maintenance:** Regularly clean and maintain the ARIC and your firearm to ensure optimal performance and safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and the chamber is clear before beginning installation.
2. **Remove Existing Components:** Disassemble your firearm to remove the existing Bolt Carrier Group, Recoil Spring, and Buffer.
3. **Install ARIC:**
 - Insert the ARIC into the receiver, ensuring it is seated properly.
 - Follow the manufacturer's instructions for any additional components or adjustments.
4. **Reinstall Other Components:** Reassemble your firearm, ensuring all components are secure and properly aligned.

Usage

- **Firing:** The ARIC allows for firing in both folded and unfolded positions. Ensure that the stock adapter is secure before firing.
- **No Tools Required:** The ARIC does not require tools for removal, reinstallation, or maintenance. Ensure that all components are properly seated before use.
- **Field Stripping:** You can field strip the ARIC for cleaning and inspection without tools. Follow the

manufacturer's guidelines for proper field stripping procedures.

Disposal Instructions

When disposing of the ARIC or any components:

- Follow local regulations for the disposal of firearm components.
- Ensure that all parts are rendered unusable before disposal to prevent misuse.
- Consider recycling metal components where applicable.

Contact Information for Further Support

For any technical questions or concerns regarding the ARIC or its usage, please contact Law Tactical directly through the provided customer support channels.

Conclusion

The Law Tactical ARIC Internal Carrier is designed to enhance the functionality of your AR15 while maintaining safety and compliance with EU regulations. By following the guidelines in this document, you can ensure a safe and enjoyable experience with your firearm. Always prioritize safety and responsibility when handling firearms.
