When Lone Wolf first launched the original Timberwolf frame, one of the first questions was “when will it be available in 9mm, .40 S&W, and .357SIG?” That time is now, because they’ve revamped and upgraded the design to bring you the Timberwolf Compact. The first thing you’ll notice is that the TWC fits in your hand like a much smaller pistol. The TWC-3 and TWC-1 accept Gen3 and Gen4 G19, 23, 32, and 38 slides. When using a Gen4 slide you simply remove the installed adapter in the dust cover area of the frame. Using Gen3 slides you leave the adapter in place to fill the gap between the slide and dust cover. The TWC includes the dust cover adapter, removable magazine well, and interchangeable backstraps. No matter what your shooting goal is, the TWC will fit your needs. Whether you want a gun for backwoods carry, a longslide for competition, a slim and easy to carry 9mm for personal protection, or just want to build the coolest gun at the range, the Timberwolf Compact can make your dreams come true. Assembled frames come with the following parts installed. If purchasing a bare frame with parts kit the same parts are used but not installed, if you are using your own parts please note most parts are GEN3 parts except the magazine catch, locking block (PN 4361), and trigger housing which requires a GEN4 style part. Safety Instruction Guide for TWC Compact/Compact Textured Frame Lone Wolf Dist.

Introduction

Thank you for choosing the TWC Compact/Compact Textured Frame from Lone Wolf Dist. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully to understand how to operate your firearm safely and responsibly.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Use only the recommended parts and accessories for your TWC Compact. Using noncompatible parts may compromise safety.
- When changing the magazine catch direction, always remove the magazine catch spring to prevent frame damage.
- Be cautious when handling ammunition; ensure it is compatible with your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using your firearm under the influence of drugs or alcohol.

Instructions for Installation and Usage

Installation Steps

1. **Check the Frame:** Ensure that your TWC Compact frame is free from any obstructions and is unloaded.
2. **Install the Dust Cover Adapter:** If using a Gen4 slide, remove the installed adapter in the dust cover area of the frame. For Gen3 slides, leave the adapter in place.
3. **Attach the Magazine Well:** Securely attach the removable magazine well to the frame.
4. **Insert Backstraps:** Choose the desired backstrap and attach it to the frame, ensuring a snug fit.
5. **Install Parts:** If you are using your own parts, ensure that most parts are GEN3 parts, except for the magazine catch, locking block (PN 4361), and trigger housing, which require GEN4 style parts.

Usage Instructions

- Load the firearm only when you are at the shooting range or in a safe environment.
- Always ensure that the safety is engaged until you are ready to fire.
- Follow the shooting range rules and regulations at all times.
- After use, unload the firearm and clean it according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any unused ammunition in accordance with local laws and regulations.
- If you need to dispose of the firearm or its components, contact your local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TWC Compact/Compact Textured Frame, please reach out to your local Lone Wolf Dist. representative or authorized dealer. They can provide assistance and further information regarding safety practices and product support.

Conclusion

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your TWC Compact/Compact Textured Frame. Always prioritize safety and responsibility in all your firearmrelated activities. Thank you for your attention to these important safety measures.
