

# TWF FULL/FULL TEXTURED FRAME - LONE WOLF DIST. TWF FULL/FULL TEXTURED FRAME BARE BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

When Lone Wolf first launched the original Timberwolf frame, one of the first questions was “when will it be available in 9mm, .40 S&W, and .357SIG?” That time is now, because they’ve revamped and upgraded the design to bring you the Timberwolf Full Size. The first thing you’ll notice is that the TWF fits in your hand like a much smaller pistol. The TWF-C and TWF-F accept Gen3 and Gen4 G17,17L,22,24,31,34,35, and 37 slides. When using a Gen4 slide you simply remove the installed adapter in the dust cover area of the frame. Using Gen3 slides you leave the adapter in place to fill the gap between the slide and dust cover. The TWF includes the dust cover adapter, removable magazine well, and interchangeable backstraps (TWF & TWF backstraps are interchangeable) No matter what your shooting goal is, the TWF will fit your needs. Whether you want a gun for backwoods carry, a longslide for competition, a slim and easy to carry 9mm for personal protection, or just want to build the coolest gun at the range, the Timberwolf Fullsize can make your dreams come true.

Assembled frames come with the following parts installed. If purchasing a bare frame with parts kit the same parts are used but not installed, if you are using your own parts please note most parts are GEN3 parts except the magazine catch and trigger housing which requires a GEN4 style part. # Safety Instruction Guide for TWF Full/Full Textured Frame Lone Wolf Distribution

## Introduction

Thank you for choosing the TWF Full/Full Textured Frame from Lone Wolf Distribution. This product is designed for safe and effective use in shooting sports. Please read this safety instruction guide carefully to ensure proper usage and to minimize risks associated with handling firearms.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Ensure that you are using the correct ammunition for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that the TWF frame is compatible with your chosen slide (Gen3 or Gen4).
- When using a Gen4 slide, remove the installed adapter in the dust cover area of the frame.
- When using Gen3 slides, leave the adapter in place to fill the gap between the slide and dust cover.
- When swapping the magazine catch directions, remove the magazine catch spring completely to avoid damaging the frame.
- Always check that the magazine is empty before performing any maintenance or installation.
