

# TWF FULL/FULL TEXTURED FRAME - LONE WOLF DIST. TWF FULL/FULL TEXTURED FRAME BUILT BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

When Lone Wolf first launched the original Timberwolf frame, one of the first questions was “when will it be available in 9mm, .40 S&W, and .357SIG?” That time is now, because they’ve revamped and upgraded the design to bring you the Timberwolf Full Size. The first thing you’ll notice is that the TWF fits in your hand like a much smaller pistol. The TWF-C and TWF-F accept Gen3 and Gen4 G17,17L,22,24,31,34,35, and 37 slides. When using a Gen4 slide you simply remove the installed adapter in the dust cover area of the frame. Using Gen3 slides you leave the adapter in place to fill the gap between the slide and dust cover. The TWF includes the dust cover adapter, removable magazine well, and interchangeable backstraps (TWF & TWF backstraps are interchangeable) No matter what your shooting goal is, the TWF will fit your needs. Whether you want a gun for backwoods carry, a longslide for competition, a slim and easy to carry 9mm for personal protection, or just want to build the coolest gun at the range, the Timberwolf Fullsize can make your dreams come true.

Assembled frames come with the following parts installed. If purchasing a bare frame with parts kit the same parts are used but not installed, if you are using your own parts please note most parts are GEN3 parts except the magazine catch and trigger housing which requires a GEN4 style part. # Safety Instruction Guide for TWF Full/Full Textured Frame Lone Wolf Dist.

## Introduction

Thank you for choosing the TWF Full/Full Textured Frame from Lone Wolf Dist. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and follow all local laws and regulations regarding firearm ownership and usage.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Store the firearm securely and out of reach of children or unauthorized users.
- Use only the recommended parts and accessories specified by the manufacturer to avoid malfunctions or accidents.
- Regularly inspect your firearm for any signs of wear or damage. If any issues are found, do not use the firearm until it has been repaired by a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment. Always have a proper backstop and be mindful of bystanders.
- Report any unsafe products or accidents to local authorities immediately.

## Specific Safety Precautions for Use

- Before using the TWF frame, ensure that you have read and understood all instructions provided in this guide.
- When handling the firearm, keep your finger off the trigger until you are ready to shoot.
- Do not modify the frame or any of its components unless instructed by the manufacturer.
- When using a Gen4 slide, remember to remove the installed adapter in the dust cover area of the frame.
- When using Gen3 slides, keep the adapter in place to ensure a proper fit.
- When swapping the magazine catch directions, remove the magazine catch spring completely to avoid damaging the frame.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation of the Frame:
