

# TWF FULL/COMPACT TEXTURED FRAME - LONE WOLF DIST. TWF FULL/COMPACT TEXTURED FRAME BUILT BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

When Lone Wolf first launched the original Timberwolf frame, one of the first questions was “when will it be available in 9mm, .40 S&W, and .357SIG?” That time is now, because they’ve revamped and upgraded the design to bring you the Timberwolf Full Size. The first thing you’ll notice is that the TWF fits in your hand like a much smaller pistol. The TWF-C and TWF-F accept Gen3 and Gen4 G17,17L,22,24,31,34,35, and 37 slides. When using a Gen4 slide you simply remove the installed adapter in the dust cover area of the frame. Using Gen3 slides you leave the adapter in place to fill the gap between the slide and dust cover. The TWF includes the dust cover adapter, removable magazine well, and interchangeable backstraps (TWF & TWF backstraps are interchangeable) No matter what your shooting goal is, the TWF will fit your needs. Whether you want a gun for backwoods carry, a longslide for competition, a slim and easy to carry 9mm for personal protection, or just want to build the coolest gun at the range, the Timberwolf Fullsize can make your dreams come true.

Assembled frames come with the following parts installed. If purchasing a bare frame with parts kit the same parts are used but not installed, if you are using your own parts please note most parts are GEN3 parts except the magazine catch and trigger housing which requires a GEN4 style part. # TWF Full/Compact Textured Frame Safety Instruction Guide

## Introduction

Thank you for choosing the TWF Full/Compact Textured Frame from Lone Wolf Dist. This guide is designed to provide you with essential safety information to ensure the safe use of your product. Please read this manual carefully before using the frame.

## General Safety Guidelines

- Ensure that you are familiar with the operation of the TWF Full/Compact Textured Frame before use.
- Always treat the frame as if it is loaded, even when you believe it is not.
- Keep the frame out of reach of children and unauthorized users.
- Use protective eyewear and hearing protection when operating the firearm.
- Regularly inspect the frame for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage.

## Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Do not rely solely on the safety mechanism; always keep your finger off the trigger until ready to shoot.
- Avoid using the frame in adverse conditions (e.g., wet, muddy, or icy environments) to prevent loss of control.
- When using Gen4 slides, remove the installed adapter in the dust cover area of the frame as instructed.
- When using Gen3 slides, ensure that the adapter is left in place to fill the gap between the slide and dust cover.
- When swapping the magazine catch directions, remove the magazine catch spring to prevent damage to the frame.
