Introduction

Thank you for choosing the AccuTac PSki Bipod Feet for Wide Stance Bipods. This product is designed for enhancing stability and performance in longrange shooting sports. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the bipod feet for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the PSki Bipod Feet only with compatible wide stance bipods.
- Ensure that the bipod is securely attached before use.
- Avoid using the bipod feet in extreme weather conditions that may affect performance.
- Do not exceed the recommended weight limit for the bipod setup.
- Maintain a safe distance from others when using the bipod for shooting.

Instructions for Installation and Usage

1. Installation:

- Remove any existing feet from your wide stance bipod.
- Align the AccuTac PSki Bipod Feet with the attachment point on the bipod.
- Securely attach the PSki feet using the provided direct thread hardware.
- Ensure that the feet are firmly in place before proceeding.

2. Usage:

- Position the bipod on stable ground to prevent tipping.
- Adjust the tilt of the PSki feet as needed for optimal stability.
- After use, detach the PSki feet if necessary and store them in a dry place.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials where possible to minimize environmental impact.
