## Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed. Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R Fits AKM, AK-74, VEPR, PSL and M92 rifles Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

\* Vepr and Saiga Pistons will require drilling through the op-rod after screwing the piston into the carrier, due to variations in the staking location. These Op-Rods are Phosphated instead of Nitrided to allow easy drilling.\*

## Attributes

- Name: [KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM DRACO](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 430105252
- Mfr. No.: AGP-A-7
- Make: -
- Model Number: Draco
- Delivery weight: 0.159kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 279mm
- UPC: 853906008379

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for KNS Precision Adjustable Gas Piston System Draco

## Introduction

Thank you for choosing the KNS Precision Adjustable Gas Piston System for your AKstyle rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AKstyle rifle before using the KNS Precision Adjustable Gas Piston.
- Always treat firearms as if they are loaded.
- Store the gas piston and firearm securely, away from children and unauthorized users.
- Regularly inspect your firearm and the gas piston for any signs of wear or damage.
- Do not use the gas piston if you notice any defects or malfunctions.

## Specific Safety Precautions for Use

- Only use the KNS Precision Adjustable Gas Piston with compatible calibers:
  - Smallcaliber piston: .223 Rem., 5.56 NATO, and 5.45x39mm
  - Largecaliber piston: 7.62x39mm, .308 Win., and 7.62x54R
- Ensure that the gas piston is properly installed before firing the weapon.
- Avoid using ammunition that exceeds the specifications for your gas piston.
- Always wear appropriate eye and ear protection when firing your rifle.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

### 2. Installation:

- Remove the existing gas block from your AKstyle rifle.
- Install the KNS Precision Adjustable Gas Piston into the existing gas block as per the manufacturer's instructions.
- Ensure the piston is securely in place and properly aligned.

### 3. Adjustment:

- Adjust the gas piston settings according to the specific needs of your ammunition and shooting conditions.
- Test the adjustment settings by firing a few rounds at the range.
- Monitor the ejection pattern of the brass. If it ejects more than 15 feet away, further adjustments may be necessary.

### 4. Usage:

- Once installed, you may use your rifle as normal.

- Regularly check the gas piston for proper functioning and make adjustments as needed.

## **Disposal Instructions**

- Dispose of any defective or damaged gas pistons in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the KNS Precision Adjustable Gas Piston System, please reach out to your local distributor or contact the manufacturer directly. Ensure you have your product details available for quicker assistance.

By following these guidelines, you can ensure a safe and effective experience with your KNS Precision Adjustable Gas Piston System. Thank you for prioritizing safety and responsible firearm usage.
