

AK ADJUSTIBLE GAS PISTON - KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM AIM-S74

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Pistons](#)

Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed. Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R Fits AKM, AK-74, VEPR, PSL and M92 rifles Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

* Vepr and Saiga Pistons will require drilling through the op-rod after screwing the piston into the carrier, due to variations in the staking location. These Op-Rods are Phosphated instead of Nitrided to allow easy drilling.*

Attributes

- Name: [KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM AIM-S74](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 430105261
- Mfr. No.: AGP-A-21
- Model Number: AIMS-74
- Delivery weight: 0.159kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 279mm
- UPC: 853906008386

AK Adjustable Gas Piston Safety Instruction Guide

Introduction

Thank you for choosing the AK Adjustable Gas Piston from KNS Precision. This product is designed to enhance the performance of your AKstyle rifle by providing adjustable gas regulation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the gas piston.
- Use the product only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the gas piston for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure your rifle is compatible with the AK Adjustable Gas Piston before installation.
- Do not exceed the recommended caliber specifications:
 - Smallcaliber piston: .223 Rem., 5.56 NATO, and 5.45x39mm
 - Largecaliber piston: 7.62x39mm, .308 Win., and 7.62x54R
- Always wear appropriate safety gear, including eye protection, when firing your weapon.
- Be aware of your surroundings and ensure a safe shooting environment.
- Monitor brass ejection distance; if it exceeds 15 feet, consider adjusting the gas piston.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools: a wrench and a clean cloth.
- Ensure your rifle is unloaded and in a safe position.

2. Installation Steps

- Remove the existing gas block from your rifle.
- Install the KNS Precision AK Adjustable Gas Piston in the existing gas block.
- Secure the gas piston in place using the appropriate tools.
- Make any necessary adjustments to the gas settings based on your shooting preferences.
- Reassemble your rifle and ensure all components are secure.

3. Usage

- Test the gas piston by firing a few rounds at the range.
- Observe the brass ejection distance and adjust the gas piston as needed.
- Regularly check the gas piston for proper function and any signs of wear.

Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm components.
- Do not throw the product in regular household waste.

- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For further support and inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website. Ensure you have the model number (AIMS74) ready for reference.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the KNS Precision AK Adjustable Gas Piston!
