# Safety Instruction Guide for AK Rear Sight Rail for Low Profile Red Dot Optics

## Introduction

Thank you for choosing the AK Rear Sight Rail for Low Profile Red Dot Optics by Strike Industries. This product is designed to convert your AK rear sight into a 1913 Picatinny rail, allowing for the mounting of lowprofile optics on your AK rifle. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure safe use of this product by following all instructions and safety precautions outlined in this guide.
- Be aware that this product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- Always check for any recall updates regarding this product on the EU's Safety Gate platform.
- If you have any concerns about the safety of this product, please report them to the relevant authorities.

## Specific Safety Precautions for Use

- Use the product only as intended, which is to mount lowprofile optics onto your AK rifle.
- Ensure that all screws are tightened securely to prevent any accidents during use.
- Use "Red Loctite" on screws to ensure they remain secure during operation.
- Avoid using this product in environments that may expose it to extreme temperatures or moisture.
- Keep this product out of reach of children and vulnerable individuals.

## Instructions for Installation and Usage

### Installation

#### 1. Gather Required Tools:

- 3 M3 Countersunk Hex Socket Screws
- 1 M3 Oval Head Screw
- 1 M3 Nut
- Appropriate tools for installation (e.g., screwdriver, wrench).

#### 2. Prepare the AK Rifle:

- Ensure your AK rifle is unloaded and pointed in a safe direction.
- Remove the existing rear sight from the AK rifle.

#### 3. Install the AK Rear Rail:

- Align the AK Rear Rail with the mounting points on your AK rifle.
- Secure the rail using the provided screws and nut. Ensure all are tightened properly.
- Doublecheck that the rail is firmly attached before proceeding.

#### 4. Mounting the Optics:

- Follow the manufacturer's instructions for mounting your lowprofile optics onto the installed rail.
- Make sure the optics are securely attached and properly aligned.

## Usage

- When using your AK rifle with the mounted optics, always maintain proper firearm safety practices.
- Regularly check the tightness of the screws and the stability of the mounted optics before each use.

## Disposal Instructions

- Dispose of this product responsibly in accordance with local regulations.
- Do not dispose of this product in general household waste.
- If applicable, recycle materials according to local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the use of this product, please consult the retailer or manufacturer from whom you purchased the product. They will provide you with the necessary support and information.

Thank you for your attention to these safety guidelines. Enjoy using your AK Rear Sight Rail for Low Profile Red Dot Optics safely and responsibly.
