# AMBUSH 45DEGREE OPTIC MOUNT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the AMBUSH 45DEGREE OPTIC MOUNT by Strike Industries. This guide provides essential safety instructions, installation guidance, and proper usage protocols to ensure the safe and effective use of your optic mount. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all installations are performed by a certified professional gunsmith.
- Always use the correct hardware as specified in the product package.
- Be cautious when using screws provided, as they may mar the optic housing finish or coating.
- Do not exceed the specified torque of 15 in/lbs (1.69 nM) for the Picatinny mount screw.
- Regularly check the mount for signs of wear or damage.
- If you notice any issues, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure your optic is compatible with the mount. The mount is designed for the following red dot sights:
  - Aimpoint Micro Standard
  - CMORE
  - DELTAPOINT PRO
  - DOCTER/NOBLEX
  - RMR STANDARD
  - SHIELD STANDARD
  - All SIG SAUER Open Reflex Sights
- **Warning:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- **Age Restrictions:** This product is intended for use by adults. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components.
- Ensure a clean and safe workspace.

### 2. Installation:

- Align the mounting plate with the Picatinny rail on your firearm.
- Use the provided screws to secure the mount. Be careful not to overtighten.
- Ensure the torque does not exceed 15 in/lbs (1.69 nM).
- Doublecheck the alignment and stability of the mount before use.

### 3. Usage:

- Always verify the mount's security before each use.
- Regularly inspect the mount and optic for any signs of damage or loosening.
- If any issues are detected, consult a certified professional gunsmith.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste. Check for local recycling programs for metal and electronic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the AMBUSH 45DEGREE OPTIC MOUNT, please consult the manufacturer's website or contact a certified professional gunsmith.

By following these safety instructions, you can ensure the proper use and longevity of your AMBUSH 45DEGREE OPTIC MOUNT. Thank you for your attention to these important guidelines.
