

# ENHANCED MAG PLATE FOR CANIK TP9 WITH +5 ROUNDS - STRIKE INDUSTRIES ENHANCED MAG PLATE FOR CANIK TP9 WITH +5 ROUNDS

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The Strike Industries Extended Magazine Plate for CANiK TP9 was designed to provide smoother magazine reloading through a slow drag / no snag design while maintaining maximum magazine capacity. The Extended Magazine Plate (EMP) adds plus 5 9mm rounds to OEM CANiK TP9 magazines. Following the success of our EMP systems for pistols, the form factor and unique geometric design gives a unified and aggressive aesthetic look to your CANiK TP9. Included is a steel locking plate which adds extra locking security. Give your CANiK pistol the extra rounds it deserves with the Strike Industries Extended Magazine Plate (EMP) for CANiK TP9. **WARNING: DO NOT OVERTIGHTEN** set screw when installing the steel locking plate. Steel locking plate may appear "loose" however when the set screw is flush with the back of the EMP body, you do not have to tighten any more. Overtightening from this point on will potentially damage your product. See instructional video for proper installation of item. If you are unsure, please contact our customer support team or consult with your local gunsmith. # Safety Instruction Guide for the Enhanced Mag Plate for Canik TP9

## Introduction

Thank you for choosing the Enhanced Mag Plate for Canik TP9 by Strike Industries. This product is designed to enhance your magazine capacity while ensuring safe and effective use. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

## General Safety Guidelines

- Ensure that the Enhanced Mag Plate is compatible with your specific Canik TP9 model before use.
- Always handle firearms and accessories with care and respect.
- Keep the Enhanced Mag Plate out of reach of children and unauthorized users.
- Regularly inspect the Enhanced Mag Plate for any signs of damage or wear.
- If you notice any issues, discontinue use immediately and consult a qualified gunsmith or customer support.

## Specific Safety Precautions for Use

- **WARNING:** Do not overtighten the set screw when installing the steel locking plate. Overtightening may damage the product.
- The steel locking plate may appear "loose," but it is secure when the set screw is flush with the back of the EMP body.
- Avoid using the Enhanced Mag Plate with incompatible models, as this may lead to malfunction or injury.
- Do not use the Enhanced Mag Plate if it shows signs of damage or if you are unsure of its integrity.
- Be aware of local laws regarding magazine capacity and ensure compliance before use.

## Instructions for Installation and Usage

### 1. Installation of the Enhanced Mag Plate:

- Begin by ensuring that your Canik TP9 is unloaded and safe to handle.
- Remove the existing magazine base plate from your Canik TP9 magazine.
- Align the Enhanced Mag Plate with the magazine body and press it into place until secure.
- Install the steel locking plate on the Enhanced Mag Plate and secure it with the provided set screw (M4x0.07).
- Ensure that the set screw is flush with the back of the EMP body but do not overtighten.

### 2. Using the Enhanced Mag Plate:

- Load the magazine with up to 5 additional 9mm rounds as indicated.
- Ensure that the magazine is seated properly in the firearm before use.
- Regularly check the magazine for functionality and ensure that it feeds properly.

## Disposal Instructions

- Dispose of the Enhanced Mag Plate in accordance with local regulations for plastic and metal products.
- Do not dispose of the product in regular household waste. Instead, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Enhanced Mag Plate, please reach out to our customer support team or consult with a local gunsmith. Always ensure that you are following the most current safety regulations and guidelines.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the Enhanced Mag Plate for Canik TP9. Thank you for choosing Strike Industries, and we hope you enjoy your enhanced shooting experience.
