

# EXTENDED MAGAZINE PLATE FOR GLOCK® 19 - STRIKE INDUSTRIES

## SI MAGAZINE PLATE FOR GLOCK 19

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The Strike Industries Extended Magazine Plate for GLOCK™ G19 (9mm) was designed to provide smoother magazine reloading through a low drag/no snag design while maintaining maximum magazine capacity with any OEM Double Stack GLOCK™ magazine for G19. The Extended Magazine Plate (EMP) provides an additional +5 rounds to any G19 GLOCK™ magazine. Included is our special steel locking plate, which compared to other magazine extensions on the market, features a hook design which adds extra locking security to increase reliability when fully loaded with rounds. **WARNING: DO NOT OVERTIGHTEN** set screw when installing the steel locking plate. Steel locking plate may appear "loose" however when the set screw is flush with the back of the EMP body, you do not have to tighten any more. Overtightening from this point on will potentially damage your product. See instructional video for proper installation of item. If you are unsure, please contact our customer support team or consult with your local gunsmith. Package includes: 1x Magazine Plate Extension for GLOCK™ G19 1x Extended length spring 1x Steel locking plate 1x Steel locking plate set screw Features: Plus 5 round capacity for 9mm Low drag/No snag design Impact-resistant polymer Includes Locking steel plate **COMPATIBILITY:** SI EMP Pocket Clip **NOT COMPATIBLE:** G23 (.40 Cal) 10-round magazines SI Grip Plug Tool For GLOCK™ for GEN3 or GEN4&5 **NOTE:** Not for sale to California residents due to 10-round state laws. The checkout process will show NO shipping method available. **COMPATIBILITY:** For GLOCK™ factory OEM G19 double stack magazines ETS Magazines that are over 10 rounds. Please note we cannot control or even be aware if ETS ever changes their design and the SI EMP no longer is compatible Magwell: tested to work with SI Magwell, Magpul and JP Enterprises It is the responsibility of the customer to know and abide with local gun laws. **DISCLAIMER:** -This product is not manufactured, authorized, endorsed, or warranted by GLOCK. # Safety Instruction Guide for the Extended Magazine Plate for GLOCK®19 by Strike Industries

## Introduction

Thank you for choosing the Extended Magazine Plate (EMP) for your GLOCK®19 by Strike Industries. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is compatible with your specific GLOCK®19 model and magazine.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Extended Magazine Plate for signs of wear or damage before each use.
- Do not use the product if it appears damaged or malfunctioning.

## Specific Safety Precautions for Use

- **WARNING:** Do not overtighten the set screw when installing the steel locking plate. Overtightening may damage the product.
- The steel locking plate may appear "loose" after installation. Ensure the set screw is flush with the back of the EMP body; no further tightening is necessary.
- Always ensure the magazine is unloaded before installing or removing the Extended Magazine Plate.
- Use only OEM Double Stack GLOCK™ magazines for G19 with this product to ensure compatibility and safety.
- If you experience any issues or uncertainties during installation or use, consult a qualified gunsmith or contact customer support for assistance.

## Instructions for Installation and Usage

### 1. Installation of the Extended Magazine Plate:

- Ensure the magazine is unloaded.
- Remove the original base plate from the GLOCK®19 magazine.
- Align the Extended Magazine Plate with the magazine and slide it into place.
- Insert the steel locking plate and secure it in place with the set screw. Ensure the set screw is flush with the back of the EMP body.
- Do not overtighten the set screw.

### 2. Using the Extended Magazine Plate:

- Load the magazine with ammunition, ensuring that it does not exceed the magazine's capacity.
- Insert the magazine into the GLOCK®19 as you would with a standard magazine.
- Ensure the magazine is seated properly before firing.

### 3. PostUse Care:

- After use, remove the magazine from the firearm and unload it.
- Clean the Extended Magazine Plate and magazine as necessary to maintain optimal performance.

## **Disposal Instructions**

- Dispose of the Extended Magazine Plate in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in household waste. Check for local recycling programs that accept firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the Extended Magazine Plate for GLOCK®19, please refer to the manufacturer's website or contact customer support for assistance.

By following these instructions and guidelines, you can ensure safe and effective use of your Extended Magazine Plate for GLOCK®19. Thank you for your attention to safety.
