

# EXTENDED MAGAZINE FOR SMITH AND WESSON M&P SHIELD (9MM & .40S&W) - STRIKE INDUSTRIES EMP FOR SMITH AND WESSON M&P SHIELD (9MM AND .40S&W)

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The popular Strike Industries EMP +2 magazine extension for the Glock 42 and 43 is now available for the S&W M&P 9 and .40 Shield. The Enhanced Magazine Plate increases the capacity of the 9 Shield by 2 rounds, and the .40 Shield by 1 round. The molded design integrates seamlessly with the ergonomics, texture and styling of the M&P Shield and conceals well, despite the added length. Increase your firepower and ergonomics without sacrificing feel or looks. Included is our special steel locking plate, which compared to other magazine extensions on the market, features a hook design which adds extra locking security to increase reliability when fully loaded with rounds. WARNING: DO NOT OVERTIGHTEN set screw when installing the steel locking plate. Steel locking plate may appear "loose" however when the set screw is flush with the back of the EMP body, you do not have to tighten any more. Overtightening from this point on will potentially damage your product. If you are unsure, please contact our customer support team or consult with your local gunsmith. NOTE: Made for 7 round 9mm magazines and 6 round .40 cal magazines. The EMP+2 WILL work on the larger capacity factory magazines but with a noticeable gap between the EMP and pistol grip. The factory spacer will not fit flush with the EMP without slight modification. Package include 1x Magazine Plate Extension for M&P Shield 1x Locking Plate 1x Locking Plate Screw Features Plus 2 round capacity 9mm, +1 .40S&W Extended grip surface that matches Weapon's grip pattern Impact resistant polymer Compatible with both standard and extended length factory magazines NOT COMPATIBLE: S&W M&P Shield Plus -CALIFORNIA PROPOSITION 65 WARNING:- WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. # Safety Instructions for the Extended Magazine for Smith and Wesson M&P Shield

## Introduction

Thank you for choosing the Extended Magazine for your Smith and Wesson M&P Shield. This product is designed to enhance your firearm's capacity and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the magazine extension.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the magazine extension is compatible with your specific firearm model.
- Store the magazine extension in a safe and secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine extension for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- **WARNING:** Do not overtighten the set screw when installing the steel locking plate. Overtightening may damage the product.
- The steel locking plate may appear "loose," but it is designed to be secure when the set screw is flush with the back of the EMP body.
- If unsure about the installation or usage, consult a qualified gunsmith or contact customer support.
- This product is not compatible with the S&W M&P Shield Plus.
- Keep the magazine extension and all firearm accessories away from children and vulnerable individuals.

## Instructions for Installation and Usage

### 1. Installation of the Magazine Extension:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine from the firearm.
- Align the magazine extension with the base of the magazine.
- Insert the steel locking plate and tighten the set screw until it is flush with the back of the EMP body. Do not overtighten.
- Check that the magazine extension is securely attached.

### 2. Usage of the Extended Magazine:

- Load the magazine extension with the appropriate number of rounds (2 additional rounds for 9mm, 1 additional round for .40 S&W).
- Insert the magazine into the firearm until it clicks into place.
- Ensure that the magazine is seated properly before attempting to fire.
- Regularly check the magazine for proper function and ensure it is free from obstructions.

## Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations.
- Do not dispose of in regular household waste.
- If the product is damaged or no longer in use, consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Extended Magazine for Smith and Wesson M&P Shield, please reach out to our customer support team or consult with your local gunsmith.

## **Regulatory Compliance**

This product complies with the EU General Product Safety Regulation (GPSR). It is designed to ensure safe use and mitigate potential hazards associated with firearm accessories. Please report any unsafe products or incidents to the relevant authorities.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
