

CUSTOMIZABLE TWO-POINT SLINGS - Edgar Sherman Design

CUSTOMIZABLE TWO-POINT NYLON SLING, M81-WOODLAND

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Edgar Sherman Design Sling, ESD Sling, was designed with purpose, research extreme testing, and experience. The ESD Sling is adaptable to the end-user. The ESD Sling is highly customizable to any rifle, sub-gun, shotgun, hunting rifle, bolt action, and PDW weapon system. There are two adjustment sections on the ESD sling. A rear adjustment section to fit the ESD sling to your body size and additional gear. And a quick-adjust section to loosen or tighten the sling while in use. The ESD Sling adjustment system is more adaptable to natural body movement and body mechanics. The 1-inch width of the ESD sling has less friction than wider slings and allows the ESD sling to move across your body without resistance. The ESD sling has a new updated elastic regulator preventing webbing from twisting or jamming when adjusting. This elastic has a natural pull tab that allows the sling to be folded upon itself and stored tightly on the weapon system. This feature is great for patrol vehicle storage or bag/pack/case storage. Simply pull on the ESD Sling to deploy the sling to its full length. Key Features NEW MK 1.5 updated elastic is featured on all slings to quicken and ease the stowing functionality of the sling. NEW MK 1.5 updated tags for a cleaner, more legible, and higher fade-resistant logo NEW MK 1.5 Made in USA and Berry Amendment Compliant tag hid in the rear section of the sling ESD Pull Tab featured on all slings! Enhanced grip for easier adjustability. Quick-adjust moves naturally in both opening and closing Super lightweight Streamline design Can fold into itself for vehicle operations and quickly be released from storage Berry Amendment compliant materials 20+inches of adjustment in the rear section of the strap Open Ends: This means that you will have an ITW tri-glide on each end of the sling to secure your attachment method. You could add any connection method for your rifle that you'd like and if needed trim the sling to your size (this is standard on most rifle slings). Hand-made in the USA

Safety Instruction Guide for CUSTOMIZABLE TWOPOINT SLINGS

Introduction

Thank you for choosing the CUSTOMIZABLE TWOPOINT SLING by Edgar Sherman Design. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure the safe and effective use of your sling. Please read this guide carefully before using the product.

General Safety Guidelines

- Always inspect the sling before each use for signs of wear, damage, or malfunction.
- Ensure that the sling is securely attached to your weapon system before use.
- Use the sling only for its intended purpose as described in this guide.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Do not exceed the recommended weight limit for the sling.
- If you notice any issues during use, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Adjustments:** Make sure to adjust the sling to fit your body size and additional gear properly. Improper adjustment may lead to accidents.
- **QuickAdjust Feature:** Use the quickadjust section with care to avoid sudden jerks that could lead to loss of control of your weapon.
- **Elastic Regulator:** Ensure that the elastic regulator is functioning correctly to prevent twisting or jamming during adjustments.
- **Vehicle Storage:** When storing the sling in a vehicle, ensure it is secured to prevent movement that could cause injury or distraction.
- **Connection Method:** Use only compatible connection methods for your rifle. If trimming is necessary, do so carefully to avoid damaging the sling.

Instructions for Installation and Usage

1. Installation:

- Attach the ITW triglide on each end of the sling to your chosen connection points on your weapon system.
- Ensure that both ends are securely fastened and that the sling is properly aligned.

2. Adjusting the Sling:

- To adjust the rear section, pull the adjustment strap until the sling fits comfortably around your body.
- Use the quickadjust section to loosen or tighten the sling while in use, ensuring it remains secure.

3. Using the Sling:

- When using the sling, maintain a firm grip and ensure that your weapon is always pointed in a safe direction.
- To deploy the sling, simply pull on it to its full length as needed.

4. Stowing the Sling:

- After use, fold the sling upon itself using the natural pull tab and store it securely on your weapon system or in your gear bag.

Disposal Instructions

- Dispose of the sling responsibly. If the sling is no longer usable, please recycle it if possible.
- Do not dispose of the sling in regular household waste. Check local regulations for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance regarding the CUSTOMIZABLE TWOPOINT SLING, please refer to the contact information provided with your purchase or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your CUSTOMIZABLE TWOPOINT SLING. Thank you for your attention to these important guidelines.
