# Safety Instruction Guide for SAP BUCKET DUMP POUCHES

## Introduction

Thank you for choosing the SAP Bucket Dump Pouches by Edgar Sherman Design. This product is designed to enhance your gear retention and improve your outdoor experiences. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the product before each use for any signs of wear or damage.
- Ensure that the dump pouch is securely attached to your gear before use.
- Keep the pouch away from open flames and sharp objects.
- Avoid overloading the pouch to prevent strain or damage.
- Use the product only for its intended purpose as described in this manual.
- Store the pouch in a cool, dry place when not in use.
- Report any unsafe conditions or accidents involving this product to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the pouch is properly secured to your equipment before inserting or removing items.
- Do not use the pouch in extreme weather conditions without proper precautions.
- Be cautious when using the pouch near water or slippery surfaces to avoid falls.
- If the pouch becomes wet, allow it to dry completely before storage.
- Keep the pouch out of reach of children to prevent accidents.
- Use caution when draining sand, water, or snow to avoid splashes that may cause injury.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the attachment points on your gear where the dump pouch will be secured.
- Use the provided straps or clips to attach the pouch firmly.
- Ensure that the attachment is tight and stable before use.

### 2. Usage:

- Open the pouch by unfastening any closures.
- Insert your gear carefully, ensuring that it is well balanced within the pouch.
- To drain sand, water, or snow, hold the pouch upright and allow the contents to exit through the drainage openings.
- When finished, empty the pouch and close it securely.

## Disposal Instructions

- Dispose of the pouch responsibly at the end of its life cycle.
- If the pouch is damaged beyond repair, consider recycling the materials where possible.
- Follow your local regulations for disposing of fabric and plastic materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAP Bucket Dump Pouches, please refer to the manufacturer's website or contact their customer service for assistance. It is important to ensure that you have access to support for any safety inquiries related to this product.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your SAP Bucket Dump Pouches. Thank you for your attention to safety.
