Safety Instruction Guide for SAP Bucket Dump Pouches

Introduction

Thank you for purchasing the SAP Bucket Dump Pouches by Edgar Sherman Design. This product is designed to enhance gear retention and improve the efficiency of equipment handling. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the pouch before use for any signs of wear or damage.
- Ensure that the pouch is securely attached to your gear before use.
- Keep the pouch away from sharp objects to prevent tearing.
- Be cautious of the weight of the items stored in the pouch to avoid overloading.
- If the pouch becomes wet, allow it to dry completely before storing it.
- Do not use the pouch for any purpose other than its intended use.
- Store the pouch in a cool, dry place when not in use.

Specific Safety Precautions for Use

• Hazard Identification

- Risk of injury if the pouch is overloaded.
- Risk of falling objects if items are not secured properly.
- Risk of damage to the pouch if exposed to extreme temperatures or sharp objects.

• Avoiding Hazards

- Do not exceed the recommended weight limit for the pouch.
- Ensure that all items are securely placed within the pouch to prevent them from falling out.
- Avoid placing the pouch near open flames or high heat sources.
- Regularly check the integrity of the pouch and replace it if any damage is found.

• AgeSpecific Warnings

- This product is not intended for use by children. Keep out of reach of children to avoid accidents.

Instructions for Installation and Usage

1. Installation

- Identify the attachment points on your gear where the pouch will be secured.
- Use the provided straps to securely attach the pouch to the gear.
- Ensure that the pouch is fastened tightly and does not move during use.

2. Usage

- Open the pouch and place the desired items inside.
- Ensure that heavier items are placed at the bottom for better balance.
- Close the pouch securely before moving to prevent items from falling out.
- When finished, remove the pouch from your gear and store it properly.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations.
- If the pouch is damaged beyond repair, consider recycling if possible.
- Do not dispose of the pouch in fire, as it may release harmful fumes.
